\_\_\_\_\_  
 Contractor/Applicant Signature

Please provide a digital PDF copy that clearly indicates the sheets on the digital Index of Drawings. Also, include a copy of the Certificate of Liability Insurance, the Current State License for the company, and the license for the installing technician. Plans submitted for review and approval must be signed by a Licensed professional or a Professional Engineer. Specify the type of work to be installed. Provide specification sheets for the equipment and materials to be used. A set of printed plans (24" x 36") may be required for specific projects. All fees are due upon submission of plans and permit applications. Re-test fees must be paid before scheduling a re-test.
