=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## Adopted Budget

**October 1, 2022 – September 30, 2023**

**This budget will raise more revenue from property taxes than last year’s budget by an amount of \$1,453,433 which is a 23.21% increase from last year’s budget. The property tax revenue to be raised from new property added to the tax roll this year is \$1,061,093.**

### FY 2022-2023 CITY COUNCIL RECORD VOTE

The members of the governing body voted on the adoption of the budget as follows:

**FOR:**

Debra Davison, Mayor  
Larry Akery, Council Place 1  
Lorraine Hehn, Council Place 2  
Ed Perry, Council Place 4  
Jerome Hudson, Council Place 6

**AGAINST:**

Niccole Tyson, Council Place 3  
Jason Albert, Council Place 5

**PRESENT AND NOT VOTING:**

**ABSENT:**

### Property Tax Rate Comparison

<b>Tax Year</b>	<b>2021</b>	<b>2022</b>
Fiscal Year	2022	2023
Property Tax Rate	0.570000	0.570000
No-New-Revenue Tax Rate	0.562856	0.497971
No-New-Revenue Maintenance/Operations Tax Rate	0.373923	0.291196
Voter-Approval Tax Rate	0.578801	0.573247
Debt Tax Rate	0.169694	0.206775

The total amount of outstanding debt obligations: \$20,015,000.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## SECTION 1 - INTRODUCTION

### READER'S GUIDE

In order to present the City Council and public with a clear picture of services and their costs, this year's budget includes actual revenues and expenditures from the 2018-19 fiscal year, the 2019-20 fiscal year, and the 2020-21 fiscal year. Additionally, the original budget projections, revised budget projections, and year-end estimates from FY 2021-22 are included along with the FY 2022-23 budget projections.

### BUDGET FORMAT

This document is divided into three major sections: introduction and information on the City and policies, financial and operational information, and supplemental information. The introductory section contains the City Manager's letter addressed to the Mayor and City Council explaining major policies and issues that affected the development of the fiscal year budget. This section also includes the City's organizational and staffing charts as well as a summary of all financial statements.

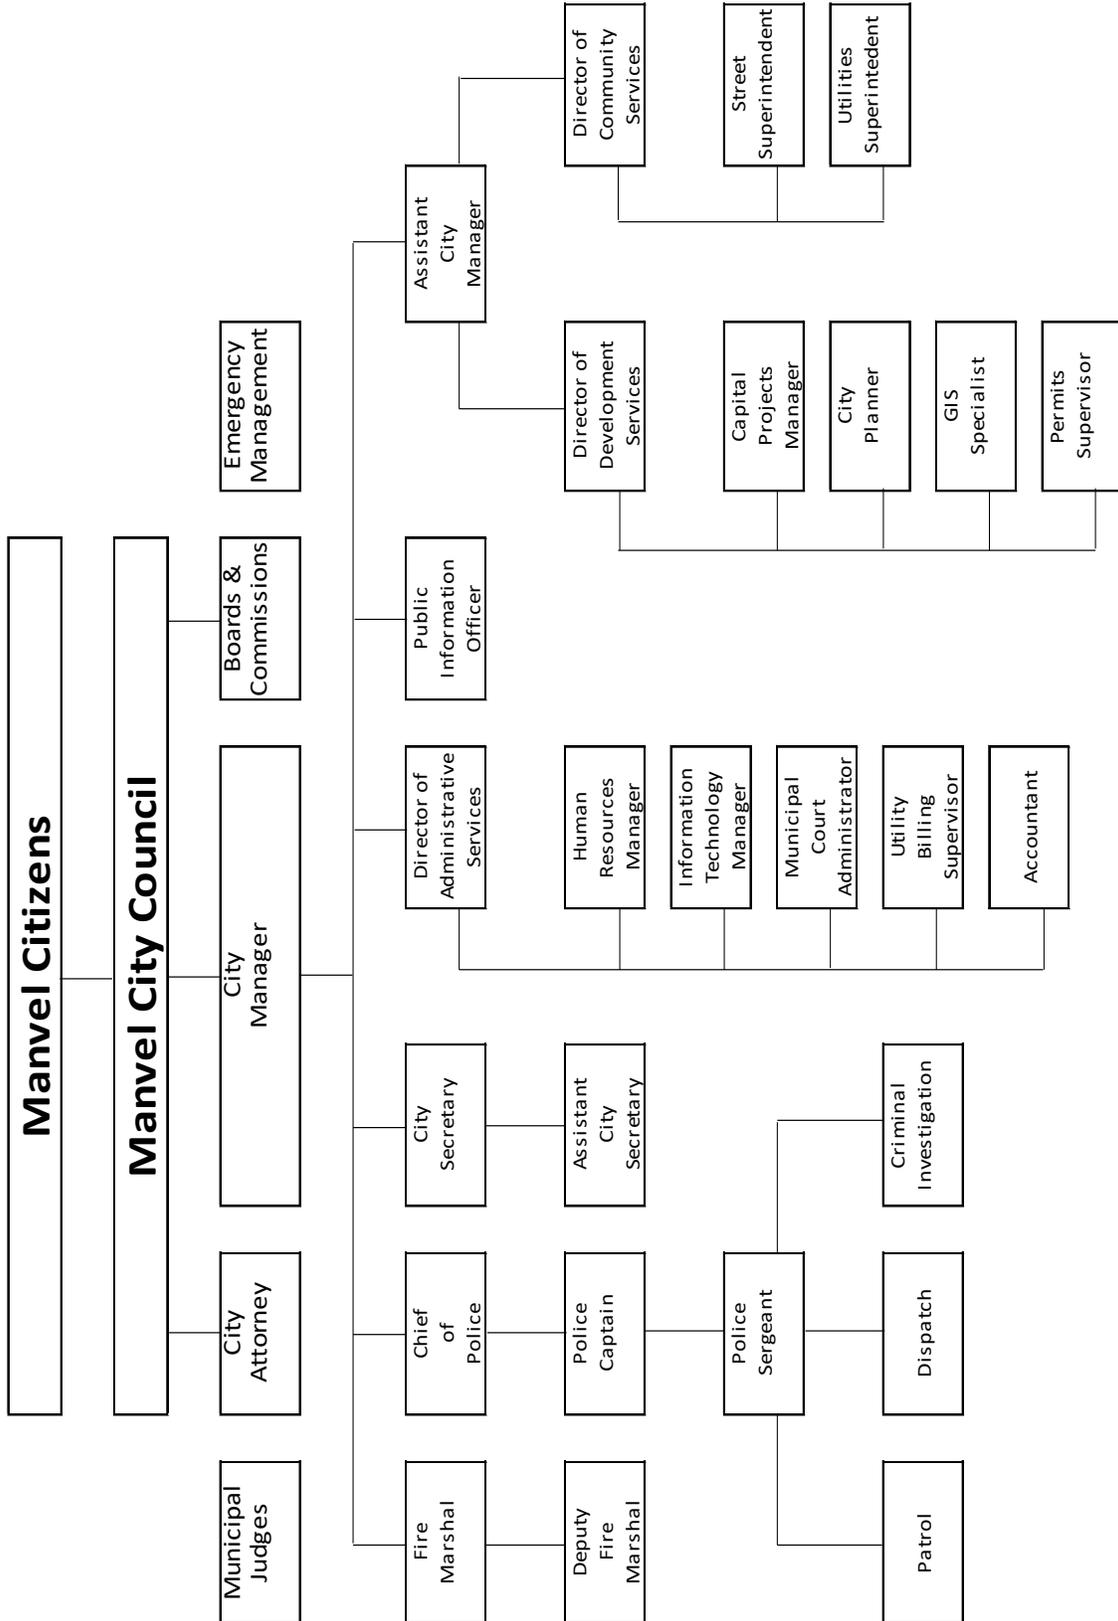

The financial and operational sections describe various aspects of the City's organization. This information is grouped by fund and sub-divided by department. Like many local governments, the City of Manvel uses the fund method of accounting. Simply stated, a fund is a unit of the City which tracks the application of various public resources. For example, the Utility Fund is established to account for the revenues and expenditures of the City's water and wastewater operations. Most people are interested in the General Fund as it encompasses most of the City's operations including the Police Department, Municipal Court and the Public Works Department of the Community Services umbrella. Financial information, including projected amounts for the FY 2022-23 budget year, is presented for every fund. The financial condition of each fund is presented over five years. Somewhat like a statement that might be received from a bank, each fund shows beginning balances, revenues, expenditures, and ending balances for each year. Each fund shows the actual audited amount from the previous three fiscal years, which is FY 2018-19 through FY 2020-21 in this document. The ending balance of the actual audited amount for FY 2020-21 then becomes the beginning balance of the projected current fiscal year, FY 2021-22. The estimated FY 2021-22 column illustrates projected amounts that can be compared to the amounts included in the original and revised budget columns for the current year. The ending balance of the estimated current fiscal year's totals then becomes the beginning balance for the FY 2022-23 budget year. Included with the financials for each fund are narratives and tables that describe the major features of each respective fund. Each department's budget presentation includes a mission statement, accomplishments from the previous fiscal year, and operational goals for the upcoming year. Staffing levels for each department are also included and summarized over several years, similar to the funding information.

The Capital Improvement Program Summary is the bridge from the financial and operational section to the supplemental information section, as it provides a more detailed narrative to some of the City's long-range projects. Some may classify these project details as other supplemental information, so it provides a nice segue into the final section of the budget. The adopted budget ordinance and a glossary of terms that may be used within this document are also included in the supplemental information section.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## BOARDS AND COMMISSIONS CHART

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## CITY LOCATION AND PROFILE

The City of Manvel was originally called Pomona in the early 1800's. When it was discovered that a city in West Texas was also named Pomona, the name was changed to Manvel. The town was named for Allen Manvel (1837-1893) who was the 11th president of the Atchison, Topeka, and Santa Fe Railway. Just after the Civil War and the War of 1860, families began to settle in the area. Original settlers made Chocolate Bayou their home, with the town site itself in 1890 at the railroad crossing of the Gulf, Colorado, and Santa Fe Railways. In 1931, the Texas Oil Company struck oil on property in Manvel, and it became a rich oil-producing community. Local rice production began in 1936, which continues today as the City attempts to maintain its rural roots.

The City of Manvel was incorporated on March 12, 1956, and adopted the Home Rule Charter on November 23, 1974, pursuant to the laws of the State of Texas. The City operates under a Council-Manager form of government and provides services authorized by its charter. Presently these services include: police and fire protection, drainage, building/code inspection, planning, zoning, engineering, street repair and maintenance, park maintenance, recreational activities for citizens, and general administrative services. The City is an independent political subdivision of the State of Texas governed by an elected council (6 positions and a mayor), and is considered a primary government. As the City is considered a primary government for financial reporting purposes, its activities are not considered part of any other government or other type of reporting entity.

The City of Manvel is located approximately 20 miles south of downtown Houston, and 30 miles northwest of Galveston and the Gulf of Mexico. The City has a variety of transportation corridors as it is located in northern Brazoria County at the intersections of State Highway 288 (South Freeway) and State Highway 6. Highway 6 also serves as a partial outer loop around the City of Houston. Beltway 8, an 83-mile stretch providing a second freeway loop around Houston, is within minutes of the City of Manvel and connects with U.S. Highway 90A, U.S. Highway 59, and Interstate 10.

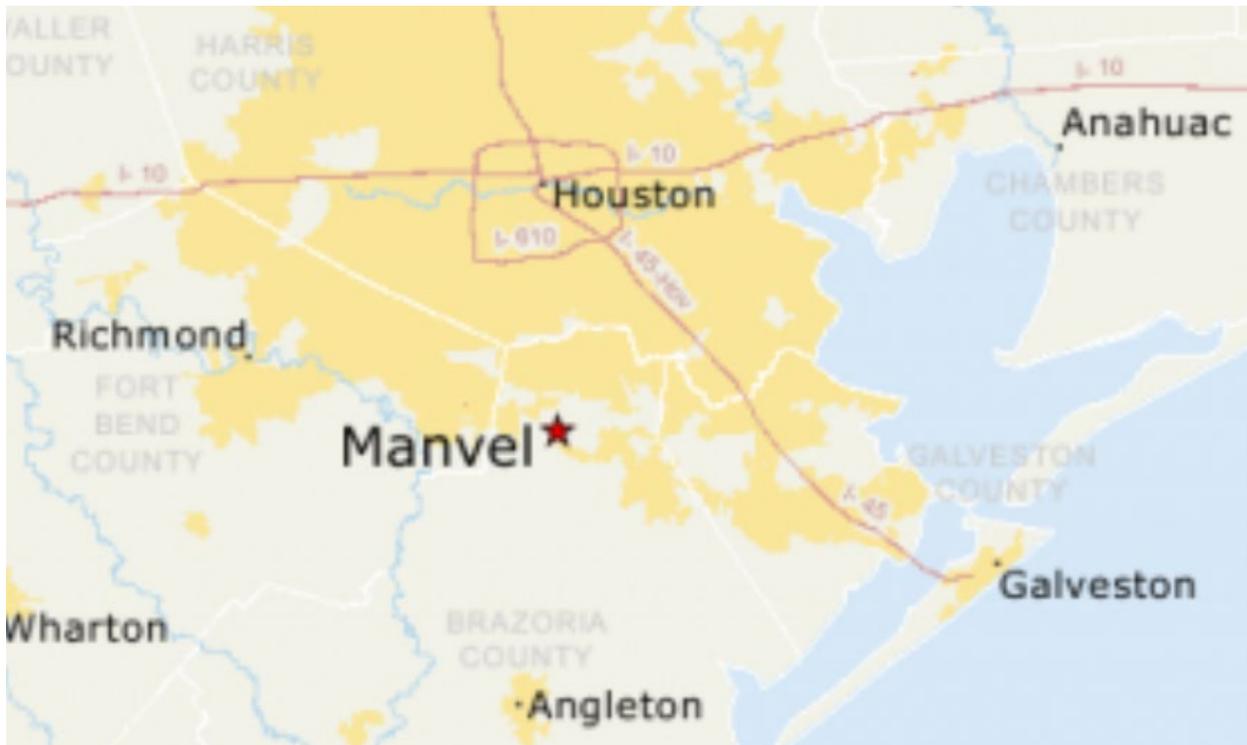

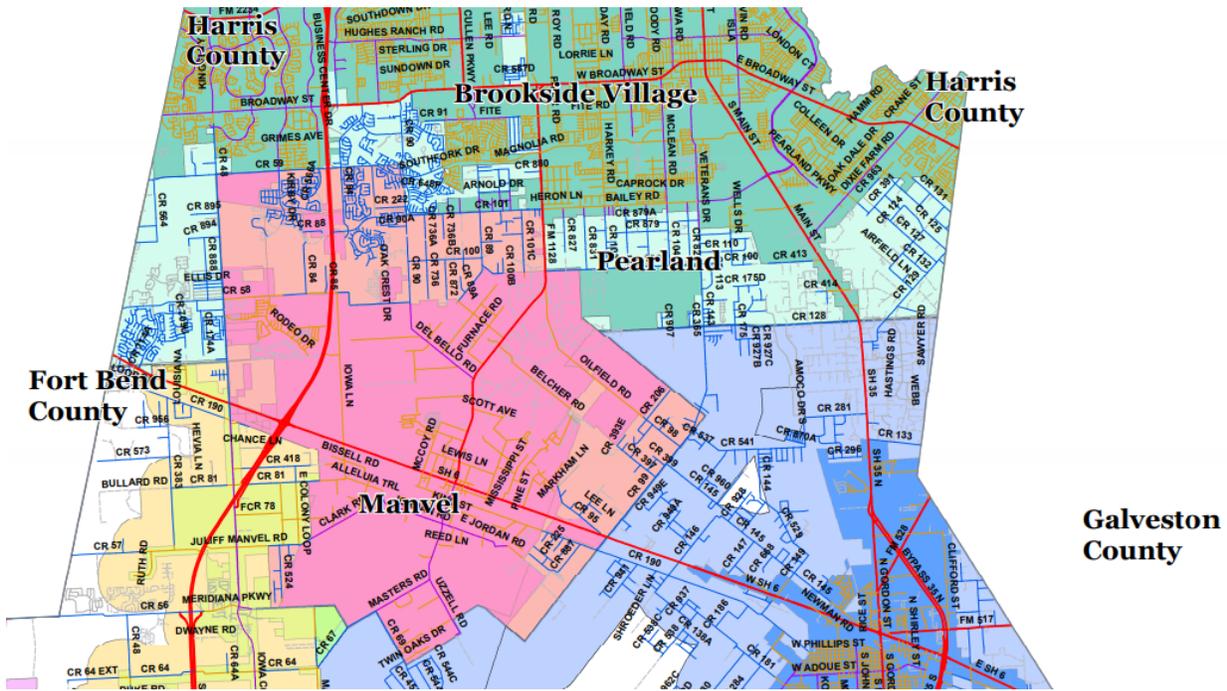

Without careful thought given to how growth will occur, the City could shift from a rural community to a stereotypical suburban area. Manvel is one of the largest cities in land size in the Houston area with more than 40 square miles of available land inside the city limits and extraterritorial jurisdiction (ETJ). As some family lands are sold due to less involvement in agricultural uses, subdivisions are being planned among the horse and cattle ranches of the City. The desire of the citizens is to maintain a semi-rural appeal, combining access to the amenities of a major metropolitan area with still being far enough away to offer a relaxed, family and community-oriented lifestyle.

Houston's population remains in the top 5 of the country. It is anticipated that Houston's growth will spill over into the neighboring cities and counties. The Woodlands, on the northern side of Houston, is one of the fastest growing cities in the United States. Manvel is experiencing unprecedented residential development rates that puts the City's actual growth rate above previously projected population numbers. With the rapid pace of growth occurring in and around the Houston area, Manvel is becoming a desirable location to consider given its convenient access to the Medical Center, Hobby Airport, and downtown Houston. Like many of the other municipalities in Brazoria County, much of the City's development is linked to that of the entire region.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## PLANNED DEVELOPMENT PROJECTS

The City of Manvel has several development subdivisions planned over the next 20 years with an estimated total population of over 30,000. The Manvel Town Center is also expected to bring in new commercial development along Highway 288 and State Highway 6.

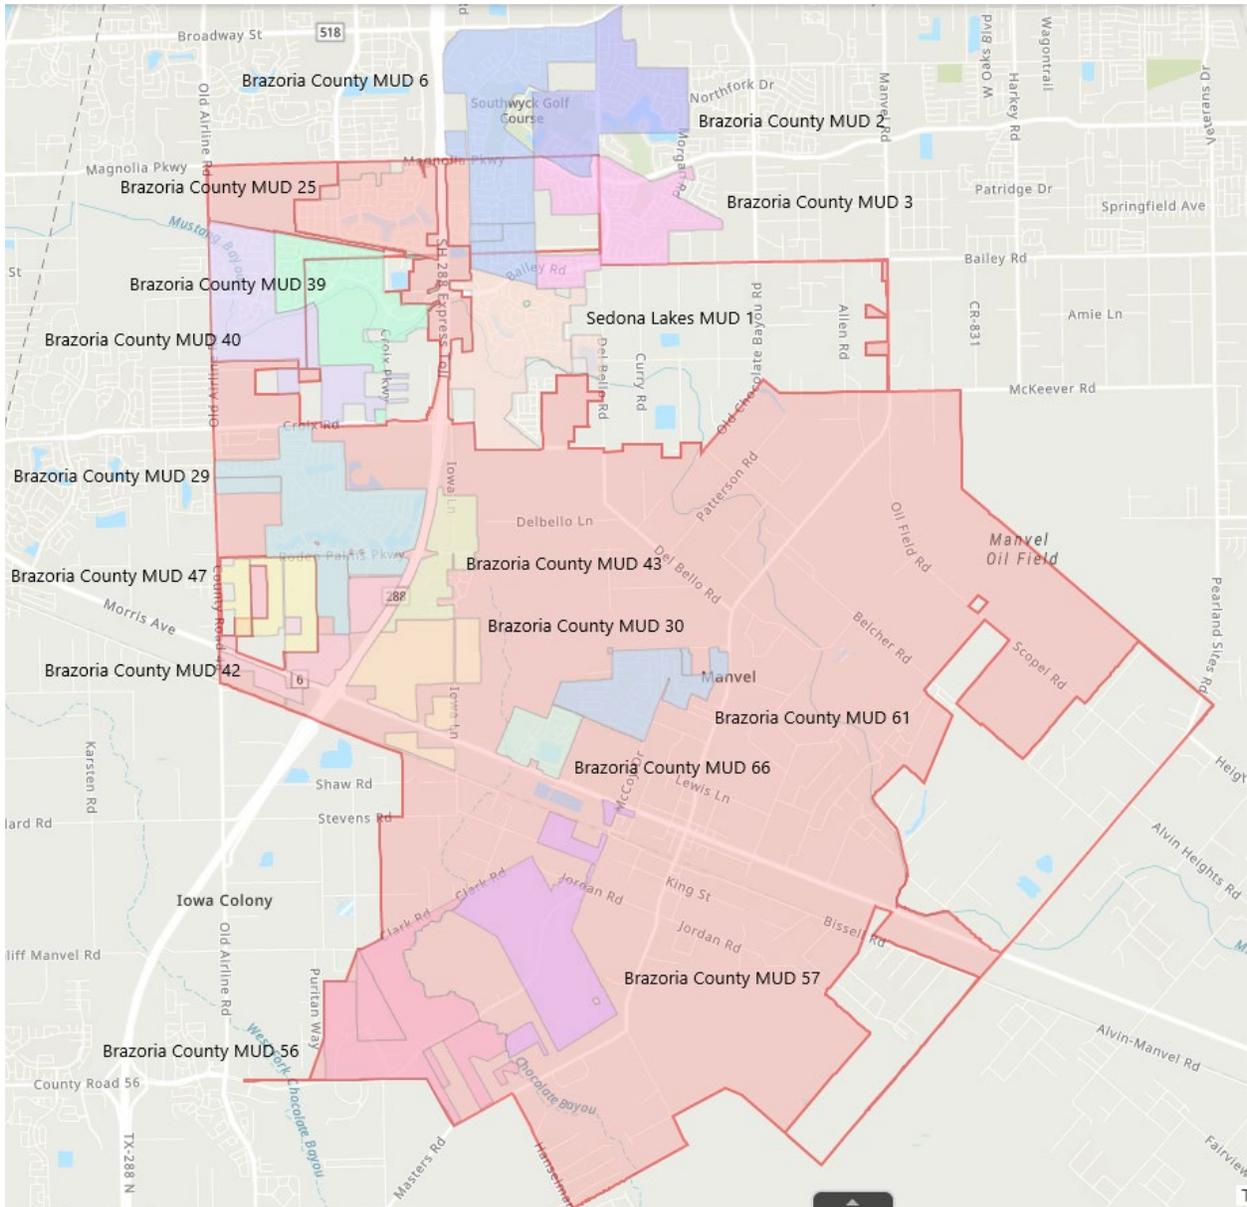

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MUNICIPAL UTILITY DISTRICTS (MUDs)

Concerning residential developments, the establishment of Municipal Utility Districts (MUDs) continues to be a solution in the absence of City provided utilities. A MUD is a political subdivision of the State of Texas authorized by the Texas Commission of Environmental Quality (TCEQ) to provide water, sewage, drainage and other services.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## CITY MANAGER MESSAGE

To: Honorable Mayor Debra Davison and City Council  
From: Kyle Jung, City Manager  
Date: September 16, 2022

It is my pleasure to present the City of Manvel's Fiscal Year 2022-23 Operating Budget. The projected revenues, excluding transfer revenues, for this budget will be \$19.7 million. That figure is \$1.6 million above the original budgeted amount for FY 2021-22. This document is anticipated to be adopted by the City Council at its meeting on September 26, 2022.

The property values throughout Manvel have increased yet again with the certified property values reported at \$1.353 billion with an additional \$118.5 million in dispute compared to a certified property value of just under \$1.1 billion the previous year. Due to regulations from the state, the amount of overall property taxes collected by the City will not grow proportionally with the assessed values. Tax worksheets to determine the City's "No-New-Revenue" and "Voter-Approval" tax rate have been provided by the County Tax Office to the City and are included with this document. With the combination of legislation to keep property tax values collected approximately the same as the previous year and the uptick in actual property values, the City will see a decrease in the maintenance and operation (M&O) portion of the tax rate. An expected debt issuance in the FY2022-23 year will increase the interest and sinking (I&S or debt) portion. Even with the huge upswing in property values, the proposed tax rate was \$0.573247/\$100 compared with the previous rate of \$0.57/\$100 valuation used in the FY 2021-22 budget.

Much like property taxes, other revenue streams seem to have stabilized. More appropriately, the proposed budgets have captured the accurate value and unanticipated amounts of additional revenue are less likely. This year's sales tax revenues are tracking the same through the first ten months of the current 2021-22 budget as compared to the previous year. As the COVID pandemic continues to subside, people are leaving their houses to shop in brick-and-mortar locations more than ordering on-line. Manvel benefited from on-line sales with increased collections last year. As Manvel awaits the commercial growth to match the residential growth, the sales tax revenue will be projected to remain at the same level as last year. This means the MEDC will also be budgeted with similar revenue expectations as the previous year. Balance is always beneficial in the financial realm, and having more commercial traffic to supplement the property tax growth will be beneficial, especially with the highly anticipated commercial activity in the Manvel Town Center development over the next several years.

Another major revenue component, license and permit fees, are also projected to remain stable compared to the previous year. There was a staggering increase in activity between FY 2019-20 and FY 2020-21, and comparing estimated totals from the current fiscal year to the previous shows a more modest increase. Even as the property values rise in the City, the revenues do not necessarily increase along with them as many properties are increasing in value without additional improvements on the lot which would require permitting and therefore additional development revenue. As such, the revenue stream will continue to be increased at a modest rate and management can offer mid-year adjustment recommendations for the Council's consideration should the revenues unexpectedly increase. While some of the planned subdivisions in the area may be reaching full build out, other developments are just beginning to place houses on the ground or planning to initiate home builds in the near future. All these pieces coming together point to a permitting and licensing revenue stream that looks to keep growing and will positively impact future revenues and future budgets.

# CITY OF MANVEL, TEXAS

## =====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

With revenue streams not dramatically increasing as they have in the recent past, the City has had to budget differently for the coming fiscal year. Last year, 27 new positions were created with the budget and more were added during the year to accommodate the growth and responsibilities of the staff. Unlike requests for items or services, new positions added in one year incur that same or more expenses year-over-year and sometimes result in a modest increase in spending while the revenue growth has a chance to catch up to the expenditures. The current budget allows for the addition of three new positions and even has some positions being eliminated or placed on hold if they are still vacant, resource reallocation, or simply cannot be filled for lack of office space. There were personnel requests that were made that will be considered in future budgets, but the work load can be handled with the resources on-hand. Until the revenues increase, or at least catch up to the increased expenditures, the departments will continue to successfully and effectively perform with the staff that is on the payroll. In addition, the staff made requests for some modifications in the line items of the respective departments which have been included in the proposed budget. Again, fluctuations in items and services that may be needed for one year are much easier to budget for and could be one-time expenditures. While the revenues did not allow for significant increases in the personnel line item, current employees have the resources they need to effectively perform their duties.

This budget year also poses a different circumstance not seen before. It appears, based on estimated totals, that the Utility Fund should no longer need a transfer from the General Fund in order to balance revenues and expenditures. As different departments worked together diligently to account for utility usage and bill accordingly and the City's utility customers continue to increase, the revenues for the Utility Fund have grown to the point where they cover the current daily operating expenditures. Increased utility revenues can be used to pay for utility-related Capital projects not covered by revenues generated by impact fees collected from new development. This is an exciting turning point as most cities have a utility fund that can be self-sufficient and even generate funding for bonds, equipment, or transfer to other funds like capital projects. It also makes budgeting more efficient in the General Fund as a sizeable transfer does not need to be accounted for in future years.

As the City continues to grow, the need for capital projects continues to rise. Many of the projects in line have had funds previously set aside either through transfers or debt issuances. One of the main services provided by cities are utility connections to houses and businesses. The plants, lift stations, and other infrastructure that is required to make that a reality comes with a lot of planning costs and construction costs. Additionally, new facilities will be needed to provide for upgrades to current buildings or additions to provide office space for employees that may be needed for future budget years. However, more debt issuances will be needed to complete projects as property tax, sales tax, and transfers simply will not be enough.

Other departments and funds will look to deal with expenses with static revenue streams as well. Previously purchased park equipment was installed at Croix Park instead of the area next to the Police Station. Renovations and programs/build-outs at the park have been in the works and money has been transferred to that fund previously, so the General Fund will not need to make a transfer to cover current planned expenses to the Parks Fund as has happened in the past unless additional projects are approved by the Council. The specialty funds have largely been self-sustaining for the past few years and look to continue that trend. Some of the funds that have revenues that must be spent on restricted goods and services may have fund balances that can be used to help supplement some of the needs of the City as long as it remains in line with the boundaries set by legislation. The SMDA and

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

TIRZ continue slow growth as additional properties are built in the area. The MEDC Fund has been self-sustaining and is in good standing to help make the dream of the City Complex a reality as they continue to set aside revenue to assist with infrastructure and building costs when the time comes.

Even through the challenges presented by legislation and growth, I am proud to submit this budget for review and approval. Each fund is either balanced, has higher revenue than expenditure totals, or has money reserved in fund balances the past Councils have approved to cover the expenditures. While the City is growing, the legislation that is continuously altered by the State Legislature makes it difficult to realize the revenues to match that growth without generating additional revenue. We are striving to plan for needed revenue so that a dramatic or unplanned increase would not be needed. Most of the revenue sources are not fluctuating drastically and seem to continue to rise with some consistency, which makes for an easier budget estimate across all revenues.

Revenues remaining constant makes one piece of the budget easier, but can cause some challenges for expenditure requests. Previously, large unexpected increases in revenue line items made it easier to fill departmental requests and have reserves for special projects. The next budget year will see departments using their allocated resources to accomplished their goals and objectives. As always, the finance department and I will reevaluate throughout the year and bring to the Council for its consideration additional resources that may come available. To begin the year, the revenues and expenditures will remain constant, and if additional needs arise, the budget could be adjusted accordingly.

The City of Manvel is a great community experiencing new challenges every year. The growth that is causing a major boom in our community is a great opportunity. Balancing the needs of the residents, the visitors, businesses and customers, the desire of the City Council, and the staff are key elements to consider during our planning. The dedication and commitment of the residents, businesses, City Council, the School District and City staff make Manvel stand apart from others. We look forward to the future challenges and are focused on creating new ways to make our "City of the Rise" the most it can be.

Respectfully Submitted,

Kyle Jung  
City Manager

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## BUDGET-IN-BRIEF

While the City Manager’s Message provides a good summary of the budget and circumstances surrounding the creation of the budget, a simple summary can be made here. Overall revenues increased, but most of that was in property taxes and those property taxes will be funneled into the Debt Services Fund to pay interest on an anticipated bond sale. This bond sale will be tentatively used for a police station and other facilities. Most of the non-capital-project expenditures maintained the same level because most of the other revenue sources seem to have leveled off as well. Corrections to utility billing procedures and accounting have led to a Utility Fund which will be self-funding for the first year even with the purchase of a bucket truck needed for increased safety for the utility workers.

Most of the previous budgets have been conservatively created to allow flexibility for unexpected expenses. This year, the budgeted revenues were somewhat more aggressive. After City Council examined the proposed budget and a recently conducted salary survey, direction was given to increase the pay raises for staff from 3% to 7%. In order to accommodate this, some revenue projections were increased in anticipation of growth and increased sales taxes, permits, and other streams associated with the rapid growth of Manvel.

Aside from the increased expectations, the budget is very similar to last year’s version. With the hiring of 27 new employees during fiscal year 2021-22, this year’s budget was more focused on taking a bit of a pause and just maintaining the revenues and expenditures and waiting for more growth to determine if additional staffing or projects are needed.

As the budget is created to be balanced, the bottom line of a healthy fund balance should still be in effect. The City has policies that require a fund balance in the general fund that would be 25% of the revenues/expenses in the current fiscal year. Auditors prefer something closer to 50% of the revenues/expenses. The general fund is above the 50% threshold, so emergencies that may arise that cut the revenue flow of the City for any amount of time should be withstood. The City keeps these numbers in order to maintain a healthy bond rating which decreases interest rates when the City does need to pursue bond sales, such as this year.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## ORGANIZATION-WIDE STRATEGIES

Before officially beginning any budget compilation, City Council gathers during February and/or March to focus on items that will need to be addressed as overall goals and relays those goals to the City Manager and budget officer to ensure those goals are addressed while putting together a funding plan for the City. Most of these goals are carried over from year-to-year as they are essential to maintaining a well-run organization that focuses on providing services to the citizens of Manvel.

### GOAL 1 – MAINTAIN A WELL-MANAGED CITY

#### Hire and Retain Qualified Employees

- Use recently completed salary survey to target salary expectations
- Provide additional certification pay to officers and other workers who are eligible
- Develop succession plans and future needs of each department

#### Provide Training Opportunities for Employees

- Continue to maintain or expand travel/training budgets for each department
- Encourage certification training to enhance workers skills and abilities

#### Expand Services and Programs That Make Manvel Unique

- Search for programs like Teen Court that other communities may not offer
- Involve citizens to initiate programs to encourage participation or target needs from citizens

### GOAL 2 – MANAGE CONTINUOUS GROWTH IN MANVEL

#### Work with Developers to Ensure Growth is Properly Managed

- Use inspections and code enforcement to ensure building standards are met
- Monitor building to ensure City provided services will not be abused or overspent

#### Increase Commercial Buildings and Presence

- Continue to develop HEB development as first major commercial building block
- Encourage developers to focus not just on residential but also commercial buildings

#### Verify and Monitor any Development Agreements

- Ensure the accuracy of any reimbursements for both the developer and City
- Encourage continued growth by directing revenue streams back to growth trends

### GOAL 3 – CONTINUE GROWTH OF CITY THROUGH CAPITAL PROJECTS

#### Construction of City Facilities

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

Begin police station, community service building and possibly others  
Prepare for bond sales to purchase buildings and infrastructure  
Continue future plans for City Complex

Initiate Capital Projects as Funds Become Available or Needs Arise

List of capital projects needed was created for impact fees  
Grant money becomes available and should be used to complete projects  
Continue expansion of city-wide broadband cabling for residents and City facilities

## **GOAL 4 – ENGAGE CITIZENS FOR MORE EFFECTIVE GOVERNMENT**

Promote and Organize More Events

As COVID continues to decline, more events can be held with crowds  
Events should be held for both newer developments and older town sites

Increase Social Media Presence

Utilize Public Information Officer to disseminate information to citizens  
Offer alerts, notices, and other information to include citizens in events and plans  
Use social media platforms where possible to engage citizens with voting or input

Upgrade Software used in City to Make Choices Easier

Financial software is in the process of being upgraded and should be done by end of year  
Permits and development services software should be used to involve citizens and builders

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## LONG-TERM FINANCIAL PLANNING

In a municipality growing such as Manvel is, looking too far into the future is a dangerous concept. Predicting what may occur in a single budget year is a perilous enough adventure. However, to achieve the long-term goals needed by City Council and the citizens, each budget has to be crafted with an eye on the future. Property tax totals have continued to rise, despite the limits set by State legislature. The growth in residential building and population remains steady. Sales taxes increased during the pandemic, but have levelled out as many people return to brick-and-mortar stores. The increasing trend should return as more commercial construction comes to the area. The City has hired engineering firms to conduct studies to determine appropriate impact fee amounts and utility rates. This should lead to a Utility Fund which actually has excess revenues instead of requiring transfers from the General Fund. This should lead to another revenue source for to repay bonds sold needed to improve infrastructure and maintain current water/wastewater lines which may be aging and/or deteriorating.

The other capital projects, including the City Complex, will most likely have to be funded by bond sales as well. The MEDC has set aside funding to assist the City with the infrastructure and building that will take place at the complex. Each budget year, the revenues have been strong and the expenses have not topped what the budgeted levels were, so the City is able to redirect some of the excess to larger purchases and some capital projects in order to ease the debt service portion of the citizens' property taxes as the City issues bonds. Meetings with bond counsel has produced documentation that shows the growth of the City may help to pay for the debt issuances. Indeed, the City issued a smaller bond for the 2019-2020 Fiscal Year which did not significantly increase the tax rate for the community. A much larger bond issued in FY 2019 increased the tax rate, but within two or three years, the tax rate had returned to previous rates. The financial planning that the City can do revolves around that concept. The tax rate will have to go up when bonds are sold, but strong budgeting practices at the current time lead to a smaller interest rate based on the City's credit-worthy status. Budgeting for the growth and planning expenditures with prudence leads back to the tax rates dropping back to current rates within 3-5 years (based on the amount of debt) and the City can start the cycle over. However, each year presents a new set of circumstances which is why the budget is constructed with enough flexibility to cover unforeseen problems/expenses which may ruin the best laid plans for financial strategies.

# CITY OF MANVEL, TEXAS

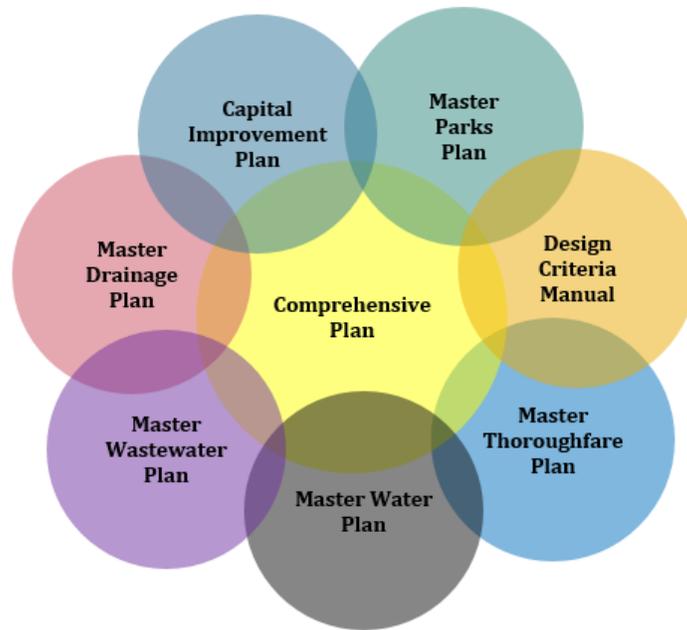

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MASTER PLANS

The City of Manvel utilizes a number of planning, development and capital improvement plans to develop strategies for successful growth. As the City continues to grow, so will the demands on the structure of the government and its capacity to serve its citizens in an efficient way. The City will continue to review, most often as a part of the budgetary process, its planning needs, staffing levels, and infrastructure needs.

The following plans have been adopted by the City Council and are guides for residents, businesses, and developers when working with the City:

- Manvel Comprehensive Plan
- Master Thoroughfare Plan
- Master Wastewater Plan
- Master Water Plan
- Capital Improvements Plan
- Design Criteria Manual
- Master Drainage Plan
- Master Parks Plan

Details for each of these plans can be found on the City's website by using the search feature or by using the following link: <https://www.cityofmanvel.com/155/Adopted-Development-Plans>

The following pages include brief extracts of each plan.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MANVEL COMPREHENSIVE PLAN

The plan provided strategies, short-term actions and long-term actions needed to implement the City’s 20-year vision. The plan included a future land use analysis with guidelines for development intensity, transportation, utilities, drainage, governance, economic development, community image, public facilities and open space.

In 2014, the City Council appointed a steering committee including all members of the City’s Planning Development and Zoning Commission (PD&Z) along with additional citizens of the community. The Mayor, City Council members, directors of the Manvel Economic Development Council (MEDC), representatives from the Houston Galveston Area Council (HGAC), City staff and consultants attended various meetings to provide input. The steering committee was deeply engaged in the process and had detailed discussions over a one-year period.

It was designed to be a fluid document to guide the City’s decisions over the next ten years.

### VISION STATEMENT

Manvel, according to its motto, is “A CITY ON THE RISE” located at the strategic crossroads of Brazoria County. Manvel seeks to maintain its rural character and small-town values while managing its growth by:

- Benefiting from our strategic location by encouraging well-planned quality retail, commercial and residential development that reflects and enhances our small-town quality of life;
- Preserving our rural characteristics by providing open space for recreation and protecting our natural environment;
- Promoting a strong and diverse economic base that supports efficient high-quality public infrastructure, municipal services, education, and collaborative governance;
- Offering a variety of housing choices that reinforce our small-town values;
- Preserving and protecting links to our past; and
- Establishing our reputation as the “home” of country living in Brazoria County.

### GOVERNMENT AND ADMINISTRATION

Form of Government – After reaching a population of over 5,000 in the 2010 census, the City became eligible under Texas law to change from a general law city to a home-rule city. The City’s first charter was adopted by the charter commission on February 1, 2011, and passed by the voters at an election held on May 14, 2011. Since that date, Manvel has been a home-rule City with a council-manager form of government. As a home rule city, Manvel now has broader authority to annex territory located in its extra-territorial jurisdiction (ETJ) into the city limits.

### LAND USE

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

The history of Manvel has created a rural characteristic populated by residents who treasure their small-town values. Residents recognize the impending growth and development that will happen in their City in the near future. There is a mixture of plans for commercial development which include different scales of

development and separate business districts. The creation of a walkable mixed-use community that provides multimodal transportation options, improves environmental quality and promotes economic development is also under consideration. Flooding and the 100-year floodplain remain important considerations in deciding which areas should remain undeveloped. While the City of Manvel is addressing regional storm water detention facilities (see the Drainage section), drainage is likely to remain a major issue that will need to be addressed on a continuing basis.

## ECONOMIC DEVELOPMENT

While residential development partially stems from the growth pressures of the Houston region, Manvel is encouraging economic development in order to sustain a viable and healthy quality of life. A balance of residential and commercial is not only essential to creating a lively and vibrant community, but also creates a balance between the two tax incomes for the City coffers. Communication between the Manvel Economic Development Corporation (MEDC) and other branches of government is also needed to align the goals and priorities for the City. Additionally, the City wants to stand out as a desired location for businesses by capitalizing on the City's unique rural characteristics. "Smart Growth Strategies" have an economic advantage as compact development creates higher revenue per acre of land, lowers infrastructure and service delivery, creates redevelopment and reuse opportunities, and spurs economic productivity and job creation.

## UTILITIES

The 2015 comprehensive plan acknowledged the importance of providing quality utility services as a basis for growth and development in the City of Manvel: "In order for the City to attract quality residential development and resultant quality commercial development, it is essential that the City's public utility infrastructure be well planned, designed, and constructed properly." As the population continues to rise, the City will require more services.

Concerning residential developments, the establishment of Municipal Utility Districts (MUDs) continues to be a solution in the absence of City provided utilities. A MUD is a political subdivision of the State of Texas authorized by the Texas Commission of Environmental Quality (TCEQ) to provide water, sewage, drainage and other services. The City desires to regionalize the utility systems by having MUDs build the systems and turn them over to the City to manage. This will allow future growth to develop without the need to incur the higher costs of utility expansion. However, while MUDs can be a useful short-term development tool, long-term annexation concerns must be factored. Ensuring interlinking between MUDs and City services is factored in the decision-making process.

## DRAINAGE

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

During the 2015 comprehensive plan development process, drainage was a key component. Concerns that

were addressed included the impact on the current drainage systems by new developments, and the importance of requiring drainage mitigation efforts in those newer developments. The extent to which Manvel will be impacted by the impending changes in the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps (FIRM) and the National Flood Insurance Program (NFIP) are being monitored. Revisions to government policy has shifted the responsibility to owners of homes in flood prone areas. As many of the

proposed developments have land within the 100-year flood plain zone, map changes will have a significant impact on new and existing residents.

## TRANSPORTATION

Manvel commuters rely heavily on State Highway 6 and State Highway 288 as major highway transportation corridors. FM 1128 has also experienced increases in use as a connecting corridor to neighboring cities to the north. Manvel commuters have an average commute of 32 minutes to Houston and Galveston. The intensity of managing development needs while still maintaining the City’s aspired “rural character” can be a challenge. Further, construction of toll lanes along State Highway 288 between the Texas Medical Center and Brazoria County is complete which will increase traffic to the Houston area. The City continues to explore alternative options for the movement of traffic as the population and development rise. Comprehensive Plan Goals for Transportation include:

- Education for City Council, Planning, Development and Zoning (PD&Z) and Manvel Economic Development Corporation (MEDC) on the transportation corridor plan and how it should be used
- Development of a set of context sensitive right-of-way design standards
- Utilization of new development proposals to build a transportation corridor system in conjunction with other infrastructure and transportation models

## ENVIRONMENT, CONSERVATION AND SUSTAINABILITY

An important element to maintaining Manvel’s rural character is the conservation and maintenance of parks and open space, as well as the encouragement and promotion of green and sustainable development practices. This will require the City to take active steps in the conservation of open space, revise building requirements and codes, and work closely with developers during the design process of new subdivisions and commercial complexes. Another consideration for sustainability for the City will be water/rainwater collection and recycling. Lastly, limiting impermeable surfaces was of particular interest to the steering committee. Low-impact development (LID) is a sustainable storm water practice that the U.S. Environmental Protection Agency (EPA) promotes among communities in order to mitigate the impacts of development on drainage issues. The results of this approach essentially conserve the open space and natural elements of a site, both of which were important goals to the steering committee and were part of this comprehensive plan.

## OPEN SPACE, PARKS AND TRAILS

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

Encouraging more open space and added uses for parks and trails would not only preserve the semi-rural character of Manvel, but would also be a unique opportunity to foster recreational tourism. The Master Parks Plan explores various ways to identify trail maintenance groups and work with developers or homeowners' associations (HOAs) in the management of open space. The City's Master Parks Plan has been incorporated to feed into the Master Drainage Plan and Major Thoroughfare Plan to capitalize on the use of right-of-way (ROW) easements along roads. This will help in the identification and indexing of the existing ROWs in the City's bike pathways, and familiarize those with programmed stops and destinations to promote tourism in the City.

## **COMMUNITY IMAGE**

The City has taken additional steps to promote, communicate and increase engagement with the community on Manvel's projects and vision. These goals and actions have been incorporated mainly into other sections of this plan, specifically the Economic Development section.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MASTER THOROUGHFARE PLAN

The thoroughfare system forms one of the most visible and permanent elements of the community. It establishes the framework for community growth and development and, along with the Comprehensive Plan, forms a long-range statement of public policy. As the alignment and right-of-way of major transportation facilities are established and adjacent property developed, it is difficult to facilitate system changes without incurring significant financial implications. The Thoroughfare Plan will provide individual, yet integrated modal strategies for vehicular, pedestrian and bicycle transportation. Capital projects planning will serve as a blueprint for future investment related decisions into the transportation system. Several key principles of the plan include:

- Convenient internal circulation between neighborhoods, core community assets, and special areas.
- Through traffic minimized to specific facilities designed to accommodate non-local and regional traffic. Transportation facilities should define rather than split residential areas in order to preserve neighborhood integrity.
- A safe pedestrian/bikeway system providing connectivity between neighborhoods, community facilities and retail areas.
- Monitor regional growth implications in order to proactively address mobility and accessibility issues to and from Manvel.

The Master Thoroughfare Plan has a line item in the capital project fund for the FY 2022-23 budget for a revision. With additional roadways and other transportation modes developing, an update to address concerns from the original plan seems fitting.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MASTER WASTEWATER PLAN

The purpose of the Master Wastewater Plan is to provide the City of Manvel with a planning tool that will serve as a guide for short-term and long-term (20-year) improvements to the wastewater system collection and treatment infrastructure. The goals of the Master Wastewater Plan were to develop wastewater flow projections for existing and future developments, conduct wastewater system analyses, and identify and develop wastewater system improvement recommendations for collection and treatment projects.

Wastewater system improvements were developed to accommodate the projected flows from residential and commercial growth. Hydraulic analyses were conducted to develop these improvements into a phased capital improvements plan to convey and treat the projected wastewater flows over the 20-year period. In order to serve the projected 20-year growth and regionalize wastewater treatment facilities, the City of Manvel planned the following:

- Construct a new East Service Area wastewater treatment plant and a new West Service Area wastewater treatment plant
- Construct diversion infrastructure to pump wastewater flows from the Central Service Area to the East Service Area
- Construct consolidation infrastructure in the West Service Area
- Extend wastewater service via gravity lines, lift stations, and force mains to areas of growth where little or no infrastructure currently exists

Funds were allocated in the FY 2019-20 budget to revisit the Master Wastewater Plan. The City purchased land for a future water detention project, has expected continuing commercial and residential growth that will change the environmental conditions, and would generally like a reboot or reaffirmation of the original plan to ensure that the wastewater needs of the community are being appropriately addressed.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MASTER WATER PLAN

The purpose of the Master Water Plan is to evaluate the existing water distribution system, identify future water demands to be met by the system, identify recommended improvements, and serve as a guiding document for future capital projects and developer-driven initiatives. Since its inception, the City of Manvel has been characterized as a rural community. Large acre homesteads and many other water users in the area have typically relied upon individual water wells. However, the City owns and operates a water plant on School Road that is being expanded. This water plant provides water and fire protection to residents and businesses in the “Old Manvel” area near State Highway 6 and FM 1128 along with other subdivisions created in the area.

Continued growth in the greater Houston metropolitan area has resulted in a number of residential subdivisions and commercial developments in and around the City of Manvel. The majority of these developments are served by small individual water plants and package wastewater facilities via Municipal Utility Districts (MUDs). As the population in the vicinity of the City continues to expand, the Utilities Department will be tasked with meeting increasing demands for public drinking water and fire protection.

Like the Master Wastewater Plan, funds were set aside in a previous budget to revisit the Master Water Plan. The City purchased rights to surface water and has to consider the best way to service as many citizens with utilities as possible with the highest efficiency possible. Also like the Master Wastewater Plan, the Master Water Plan revisit crossed over budget years for completion as the information needed for a proper and thorough report is expansive.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## CAPITAL IMPROVEMENTS PLAN

Pursuant to Section 8.03 of the City of Manvel's Home Rule Charter, adopted on May 14, 2011, the City Manager is required to submit a five-year Capital Improvements Program (CIP) to City Council. This CIP is to be updated annually, and shall provide the following items:

- (a) A summary of proposed programs;*
- (b) A list of all capital facilities and property improvements that are proposed to be undertaken during the five (5) fiscal years next ensuing, with appropriate supporting information as to the necessity for such improvements;*
- (c) Cost estimates, method of financing and recommended time schedules for each such improvement with the estimated effect on the tax levy and;*
- (d) The estimated annual cost of operating and maintaining the facilities to be constructed or acquired over the five-year period.*

A minimum of \$25,000 was established as the threshold for capital projects. The goal of the CIP is to help maintain the same high quality of life for all citizens of Manvel, through the timely anticipation of the City's needs and the planning of improvement projects - and their funding sources - as the community grows. Per the City Charter, the CIP will continue to be reviewed and updated on an annual basis. The expected annual updates will consist of both new projects *and* updates to existing projects. Updates may include revised scope, cost, or scheduling, as appropriate.

# **CITY OF MANVEL, TEXAS**

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## **DESIGN CRITERIA MANUAL**

Graphic requirements exist for all construction drawings including City of Manvel (public) projects, non-City of Manvel (private) projects, and all utility projects without a current Franchise Agreement. These include various design requirements such as CADD drawings, cover sheets, specific mapping requirements, signatures, benchmark elevations, natural ground profiles, and other identifiers.

Specific sections for wastewater, water, paving, drainage, and site development criteria are included prescribing various requirements from easements to FEMA rate maps. Site development plans are included describing how all site developments within the City of Manvel and its ETJ shall be approved as they affect public water, wastewater, storm drainage, and paving facilities. The last section is a modification form allowing for an appeal process.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MASTER DRAINAGE PLAN

The Comprehensive Plan included a drainage portion that investigated general drainage problems and discussed the need for a Master Drainage Plan. Consultants utilized this plan to identify issues of concern, key drainage areas, and model a pattern for the intensity of future development within the City. Periodically, Manvel experiences flooding from stream overflows, ponding, and shallow sheet flow caused by high intensity rainfall. Some areas throughout the ETJ of Manvel were discovered to be more prone to flooding than others. It was the general consensus that areas north of Highway 6 were more likely to flood than areas south of Highway 6.

The City developed this Master Drainage Plan using a hydrologic and hydraulic analysis. Recommendations were provided primarily in the form of sub-regional detention pond volumes with acquisition acreage, right-of-way acquisition widths for channel improvements, channel improvement geometry, and future conveyance necessary for problematic siphons/culverts. Updated hydrologic and hydraulic flood models were developed for the primary watercourses in the City to determine the flood reduction impacts of potential flood control projects, including conveyance improvements by widening and/or deepening a channel, construction of detention ponds to temporarily store flood waters, hydraulic channelization in some areas, improvement of the conveyance capacity of hydraulic structures; and selected combinations of these different types of projects. The Master Drainage Plan was the third and final plan that was budgeted for a revisit in a previous year. The growth and change that is a reoccurring theme in the City necessitated the revisit to ensure that drainage was done correctly to protect the lives and property of those citizens that are affected by the flooding effects in the area.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## MASTER PARKS PLAN

As Manvel builds out, care should be taken to preserve and enhance the community’s strongest assets – the natural resources that provide ‘room to breathe’ and opportunities to be in nature. It is with this spirit that the City embarked on a park master planning process in order to identify a vision for Manvel’s future parks system and a path to reach it. This planning effort aims to evaluate existing parks and recreation facilities to determine opportunities for improvements and additions, as well as identify new park and facility opportunities to support the recreation needs of residents as Manvel continues to grow and develop.

The resulting plan outlines the findings and recommendations for existing parks and facilities and provides concepts for new facilities where opportunities have been found that align with the demand and input provide by residents and other stakeholders. Each proposed improvement and addition is accompanied by statements of probable costs and annual operation cost estimates for use in City budgeting. The Master Parks Plan includes the following sections: analysis, assessment, walkability, programs and events, natural resources, priority projects, and implementation.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## EXECUTIVE SUMMARY

This document has been prepared to help you, the reader, learn of the issues affecting the Manvel community. Many people believe a City budget is only a financial plan. Although you can learn a great deal about the City's finances from these pages, the FY 2022-23 budget document has been designed to serve other functions as well. For example, it is a policy document that presents the major policies which guide how the City is managed. It is an operations guide which gives the public, elected officials, and City staff information pertaining to the production and performance of individual City operations. The document is also designed as a communications device in which information is conveyed verbally and graphically.

### Budget Format

The document is divided into three major sections: the introduction, financial and operational information, and supplemental information. The introductory section contains the City Manager's letter which is addressed to the City Council and explains major policies and issues that affected the development of the fiscal year budget. This section also includes the City's organization, staffing charts and the summary of all financial statements.

The financial and operational sections describe various pieces, or departments, of the City's organization. This information is grouped first by fund and then by department. Like many local governments, the City uses the fund method of accounting. A fund is a unit of the City which tracks the application of various public resources. For example, the Utilities Fund is established to account for the revenues and expenses of the City's water and wastewater operations. Most people are particularly interested in the General Fund which includes most of the City's operations such as Police, Municipal Court, and Public Works. Financial statements, including the proposed FY 2022-23 budget, are presented for every fund. The statements show the fund's financial condition over several years. Similar to the checking account statement you receive from your bank, the financial statements show beginning balances, revenues, expenditures, and ending balances for each year. Each fund statement shows the actual audited amount from the previous three fiscal years, or for this document, the fiscal years 2018-19, 2019-20, and 2020-21. The actual values of the year become the beginning balances of the projected current fiscal year, FY 2021-22. The projected column reflects estimated amounts compared to the amounts included in the adopted budget for the current year. The projected ending balance of the current fiscal year then becomes the beginning balance for the projected FY 2022-23 budget year. Accompanying the statements are narratives and graphs which describe the major features of the associated fund. Within each fund, departments have included their accomplishments for the previous year, a description of the department and its activities, and operational goals for the upcoming year. The funding for each department, as well as the unit's staffing are also summarized over several years. All funds represented in the budget are included in audited financial statements every year. While the descriptions may not be as in-depth, all the specialty funds are presented in the budget.

The budget is developed through collaboration of the City Council, department heads, the finance department, and City Manager. Starting in February or March, the Council will provide direction for the upcoming budget. This includes and changes to overall goals or addition of larger projects that may be needed by citizens. Many of the overall long-term strategies and goals will remain consistent. However, there will be some changes as projects such as the City Complex or the overall increase in social media presence may be added or placed with more priority.

# CITY OF MANVEL, TEXAS

## =====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

During May, the departments begin to provide expenditure estimates to accompany the revenue estimates received from preliminary tax numbers provided by the County Appraisal Office. The legislation of Senate Bill 2 in Texas results in the next steps changing based on the tax rate the City chooses to accept by speeding up the process in some cases. However, the City Manager and finance department review the expenditures versus the revenues and presents a preliminary budget to Council by the end of July at the latest. Through workshops, the Council can provide direction and changes for the upcoming adopted budget. The citizens also have input through City Council meetings, by use of comments or public hearings, for alterations or concerns for or against budgeted items or tax rates. The document is finally adopted (at the latest date) before the fiscal year begins in October.

After adoption, the budget can still be altered in order to account for items which unexpectedly arise during the year. Additional unplanned revenues or expenses are part of almost every fiscal year. Ordinances are used during the year to present to City Council and citizens for a vote any unexpected variances in any line or department. At the end of the year, a clean-up budget amendment is usually presented which changes the budgeted limits to more align with actual spending during the year.

### Funds

The **General Fund** provides detailed analysis of the City's general operating activities, revenues, expenditures, and fund balances.

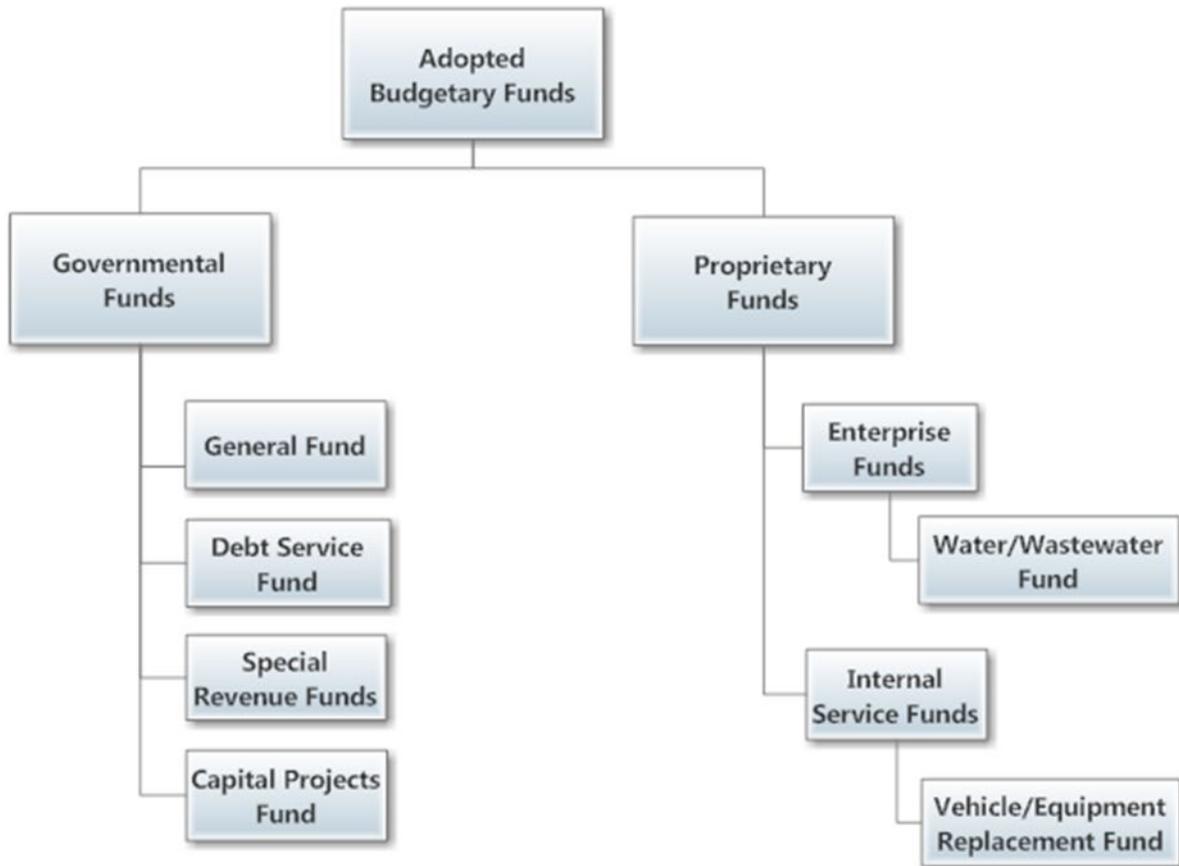

**Special Revenue Funds** provide separate accounting for the various Special Revenue Funds that include: Community Impact Fee Fund, Hotel Occupancy Tax Fund, Court Security Fund, Court Technology Fund, Law Enforcement Fund, South Manvel Development Authority (SMDA) and the Manvel Economic Development Corporation (MEDC).

The **Capital Projects Fund** provides separate accounting for the Capital Improvement Program projects that are detailed in the program and funded either by the issuing of debt or annual budget allocations.

**Enterprise Funds (Utility Fund)** provide accounting for the City's water and wastewater operations which are financed and operated like a private business enterprise. Also included are Internal Service Funds which provide separate accounting for the Vehicle & Equipment Replacement Program.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## Basis of Accounting and Budgeting

The City's finances are accounted for in accordance with generally accepted accounting principles (GAAP) established by the Government Accounting Standards Board (GASB). Both financial statements and budgeting documents are prepared on this basis, and all funds are included in both.

The accounts of the City are organized and operated on the basis of funds and account groups. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements. Account groups are a reporting device to account for certain assets and liabilities of the governmental funds not recorded in those funds. Governmental funds are used to account for the government's general government activities and include the General, Special Revenue, Debt Service and Capital Project Funds.

Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (when they are measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. Substantially all revenues are considered to be susceptible to accrual. Ad valorem, sales, hotel, and franchise tax revenues recorded in the General fund and ad valorem revenues recorded in the Debt Service fund are recognized under the susceptible to accrual concept. Licenses and permits, charges for services, fines and forfeitures, and miscellaneous revenues (except earnings on investments) are recorded as revenues when they are received in cash because they are generally not measurable until they are actually received. Investment earnings are recorded as earned since they are measurable and available. Expenditures are recognized when the related fund liability is incurred, if measurable, except for principal and interest on long-term debt (which are all recorded when due) and compensated absences (which are recorded when payable) from currently available financial resources.

The City utilizes encumbrance accounting for its Governmental fund types, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation.

The City's Proprietary fund types are accounted for on a flow of economic resources measurement focus and use the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

The City's annual budgets are prepared and adopted on a basis consistent with generally accepted accounting principles (GAAP) for all governmental and proprietary funds except the capital projects fund, which adopts project-length budgets. Budgets can be amended at the department level of control by the City Council.

The issuance of Statement 34 by the Governmental Accounting Standards Board has influenced the creation and reporting of individual funds. GASB 34 essentially mandates dual accounting systems; one for government-wide (i.e. the government as a single entity) reporting and another for individual fund reporting. Under GASB 34 for individual funds, the City will continue utilizing the accounting and budgeting process as described above. However, because GASB 34 mandates the flow of economic

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

resources measurement focus and accrual basis of accounting for government-wide reporting, extensive reconciliation must be performed to present aggregated fund information in the government-wide reporting model. Therefore, individual operating funds will be created with the objective of reducing funds of government-wide reconciliation as much as possible. When appropriate, individual funds will be examined as to whether it will be appropriate to account for them as proprietary fund types. Also, the City will limit the use of internal service funds and incorporate the financial transactions of those funds into other governmental funds.

## FINANCIAL MANAGEMENT POLICIES

The City of Manvel has an important responsibility to its citizens to carefully account for public funds, to manage municipal finances wisely, and to plan for adequate funding of services desired by the public. The main objective of the Financial Management Policy is to enable the City to achieve a long-term stable and positive financial condition. The key words of the City's financial management policy include integrity, prudent stewardship, planning, accountability, and full disclosure.

The purpose of the Financial Management Policy is to provide guidelines for planning and directing the City's day-to-day financial affairs and to assist staff in developing recommendations to the City Council. Specifically, this policy framework mandates the pursuit of the following fiscal objectives:

*Revenues:* Design, maintain, and administer a revenue system that will assure a reliable, equitable, diversified, and sufficient revenue stream to support desired City services.

*Expenditures:* Identify priority services, establish and define appropriate service levels, and administer the expenditure of available resources to assure fiscal stability and the effective and efficient delivery of services.

*Capital Expenditures and Improvements:* Annually review and monitor the condition of the City's capital equipment and infrastructure, setting priorities for its replacement and renovation based on needs, funding alternatives, and availability of resources.

*Staffing and Training:* Staffing levels shall be adequate for the fiscal departments of the City to function effectively. Overtime shall be used only to address temporary or seasonal demands that require excessive hours. Possible ways to increase efficiency shall be explored before adding staff. However, the staffing levels shall not be inadequate or marginal such that the internal controls are jeopardized or personnel turnover rates are unacceptable.

The City shall support the continuing education efforts of all financial staff including the investment in time and materials for maintaining a current perspective concerning financial issues. Staff shall be held accountable for communicating, teaching, and sharing with other staff members all information and training materials acquired from seminars, conferences, and related education efforts.

*Fund Balance/Working Capital/Retained Earnings:* Maintain the fund balance, working capital and retained earnings of the various operating funds at levels sufficient to protect the City's credit-worthiness as well as its financial position from emergencies.

*Debt Management:* Establish guidelines for debt financing that will provide needed capital equipment and infrastructure improvements while minimizing the impact of the debt payments on current and future revenues.

*Investments:* Invest the City's operating cash to ensure its safety, provide necessary liquidity and optimize yield.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

*Intergovernmental Relations:* Coordinate efforts with other governmental agencies to achieve common policy objectives, share the cost of providing governmental services on an equitable basis and support appropriate favorable legislation at the state and federal level.

*Grants:* Investigate, pursue and effectively administer federal, state and foundation grants-in-aid, which address the City's current priorities and policy objectives.

*Allowance Write-Off Policy:* Annually review accounts receivable to determine if collection efforts need adjustment or if accounts meet write-off qualifications.

*Delinquency Policy (Utility Billing):* Enforce penalties and turn-off procedures for delinquent water accounts as prescribed.

*Economic Development:* Initiate, encourage, and participate in economic development efforts to create job opportunities, and strengthen the local economy and tax base.

*Fiscal Monitoring:* Prepare and present reports for the current and multi-year periods that analyze, evaluate, and forecast the City's financial performance and economic condition.

*Accounting, Auditing, and Financial Reporting:* Comply with prevailing federal, state, and local statutes and regulations. Conform to generally accepted accounting principles (GAAP) as promulgated by the Governmental Accounting Standards Board (GASB), The American Institute of Certified Public Accountants (AICPA), and the Government Finance Officers' Association (GFOA).

*Internal Controls:* maintain an environment to provide management with reasonable assurance that assets are safeguarded against loss from unauthorized use of disposition.

*Risk Management:* Prevent and/or reduce financial impact to the City due to claims and losses through prevention, through transfer of liability, and/or through a program of self-insuring of the liability.

*Budget:* Develop and maintain a balanced budget which presents a clear understanding of goals, services levels, and performance standards and which shall be to the extent possible "user friendly" for citizens. Balanced budget means revenues meet or exceed expenditures.

## Revenues

*Balance and Diversification in revenue sources:* The City shall strive to maintain a balance diversified revenue system to protect the City from fluctuation in any one source.

*User Fees:* For services that benefit specific users, when possible, the City shall establish and collect fees to recover the cost of those services. Where feasible and desirable, the City shall seek to recover full direct and indirect costs whereas not to prohibit economic development. City staff shall review user fees on a regular basis to calculate their full costs recovery levels, to compare them to the current fee structure, and to recommend adjustments where necessary.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

*Property Tax Revenues/Tax Rates:* The City shall endeavor to balance its reliance on property tax revenues by revenue diversification, implementation and continued use of user fees, and economic development. The city shall also strive to minimize tax rate increases.

*Water/Wastewater Enterprise Utility Funds User Fees:* Utility rates and Enterprise Funds user fees shall be set at levels sufficient to cover operating expenditures, meet debt obligations, provide additional funding for capital improvements, and provide adequate levels of working capital.

*Revenue Estimates for Budgeting:* In order to maintain a stable level of services, the City shall use a conservative, objective, and analytical approach when preparing revenue estimates for current and multi-year periods. The process shall include the analysis and probability of economic changes and their impacts on revenues, historical collection rates, and trends in revenues. This approach should reduce the likelihood of actual revenues falling short of budget estimates during the year and mid-year service reductions.

## Expenditures

*Current Funding Basis:* The City shall operate on a current funding basis. Expenditures shall be budgeted and controlled so as not to exceed current revenues plus the planned use of fund balance accumulated through prior years' savings.

*Contracted Labor:* The City will utilize contracted labor for the provision of City services whenever private contractors can perform the established levels of service at the least expense to the City.

*Avoidance of Operating Deficits:* The City shall take immediate corrective actions if at any time during the fiscal year expenditure and revenue estimates are such that an operating deficit is projected at year-end.

*Maintenance of Capital Assets:* Through the Vehicle/Equipment Replacement Fund and within the resources available each fiscal year, the City shall maintain capital assets and infrastructure at a sufficient level to protect the City's investment, to minimize future replacement and maintenance costs, and to continue services levels.

*Periodic Program Review:* Periodic program reviews for efficiency and effectiveness shall be performed. Programs not meeting efficiency of effectiveness shall be brought up to required standards or be subject to reduction or elimination.

*Purchasing:* The City shall make every effort to maximize any discounts offered by creditors/vendors. Vendors with balances due the City will have payments due the vendor offset against the amount due the City. The City will follow state law concerning the amount of the purchase requiring formal bidding procedures and approval by the City Council. For purchases where competitive bidding is not required, the City shall obtain the most favorable terms and pricing possible. Every effort will be made to include minority business enterprises in the bidding process.

## Capital Expenditures and Improvements

*Capital Improvements Planning Program:* The City shall annually review the Capital Improvement Plan (CIP), the current status of the City's infrastructure, replacement and renovation needs, and potential new

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

projects and update the plan as appropriate. All projects, ongoing and proposed, shall be prioritized based on an analysis of current needs resource availability. For every project, all operation, maintenance and replacement costs shall be fully estimated and disclosed. The CIP shall also present the City's long-term borrowing plan, debt payment schedules, and other debt outstanding or planned including general obligation bonds, revenue bonds, certificates of obligation, and lease/purchase agreements when appropriate.

*Capital Assets:* A capital asset will generally be defined as equipment that exceeds \$5,000 and has a useful life that exceeds one year.

*Replacement of Vehicle/Equipment Capital Assets on a Regular Schedule:* The City shall annually prepare a schedule for the replacement of its vehicle/equipment capital assets associated with General Fund and Water/Wastewater Utility Fund operations through the Vehicle/Equipment Replacement Fund. Capital assets included in this fund will be authorized by charges to the departments using the assets. The amortization charges will be sufficient for replacing the capital equipment at the end of its expected useful life. The amortization charges application of those funds for replacement purposes will be accounted for in the Vehicle/Equipment Replacement Fund.

## Fund Balance

*General Fund Undesignated Fund Balance:* The City shall strive to maintain the General Fund undesignated fund balance at a target of 20% with the minimum being 15% and the maximum being 25%.

*Debt Service Fund Balance:* The City shall strive to maintain the Debt Service Fund balance at a target of 20% with the minimum being 15% and the maximum being 25%.

*Utility Working Capital and Retained Earnings of Other Operating Funds:* In other operating funds, the City shall strive to maintain a positive retained earnings position to provide sufficient reserves for emergencies and revenue shortfalls. In addition, the minimum working capital in the Utility Fund shall be a target level of 20% of current year budgeted operating expenditures with the minimum being 15% and the maximum balance being 25%.

*Use of the Fund Balance/Retained Earnings:* Fund Balance/Retained Earnings shall be used only for emergencies, non-recurring expenditures, or major capital purchases and capital projects that cannot be accommodated through current year savings. Should such use reduce the balance below the minimum level set as the objective for that fund, recommendations will be made on how to restore it. Capital projects and special funds generally assume that all projects will be completed and all expenses incurred during the fiscal year. As such, the fund balances in these special funds may look to decrease significantly, but generally these large projects do not get completed within the year (if at all) and the fund balance rarely drops significantly.

## Debt Management

*Use of Debt Financing:* Debt financing shall only include general obligation bonds, revenue bonds, certificates of obligation, tax notes and lease/purchase agreements.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

*Amortizations of Debt:* Amortization of debt shall be structured in accordance with a multi-year capital improvement plan. The term of a debt issue will never exceed the useful life of the capital asset being financed.

*Affordability Targets:* The City shall use an objective analytical approach to determine whether it can afford to assume new debt beyond the amount it retires each year. This process shall compare general accepted standards of affordability to the current values for the City. These standards shall include debt per capita, debt as a percent of taxable value, debt service payments as a percent of current revenues and current expenditures, and the level of overlapping net debt of all local taxing jurisdictions. The process shall also examine the direct costs and benefits of the proposed expenditures as determined in the City's annual update to the Capital Improvement Plan. The decision on whether or not to assume new debt shall be based on these costs and benefits.

*Bidding Parameters:* The notice of sale will be carefully constructed so as to ensure the best possible bid for the City, in light of the existing market condition and other prevailing factors. Parameters to be examined include:

- Limits between lowest and highest coupons
- Coupon requirements relative to the yield curve
- Method of underwriter compensation, discount or premium coupons
- Use of True Interest Cost (TIC) vs. Net Interest Cost (NIC)
- Use of bond insurance
- Deep discount bonds
- Variable rate bonds
- Call provisions

*Bond Issuance Advisory Fees and Costs:* The city will be actively involved in the selection of all financial advisors, underwriters, paying agents, and bond counsel. The City will carefully itemize and scrutinize all costs associated with the issuances of the bonds.

*Sale Process:* The City shall use a competitive bidding process in the sale of debt unless the nature of the issue warrants a negotiated bid.

*Rating Agencies Presentation:* Full disclosure of operations and open lines of communication shall be made to the rating agencies. City staff, with assistance of financial advisors, shall prepare the necessary materials and presentation to the rating agencies.

*Continuing Disclosure:* The City is committed to continuing disclosure of financial and pertinent credit information relevant to the City's outstanding securities.

*Debt Refunding:* The Finance Director and the financial advisor shall monitor the municipal bond market for opportunities to obtain interest savings by refunding outstanding debt. A proposed refunding of debt should provide value benefit as a percent of refunded principal of at least 3.5%.

## Investments

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

The city cash shall be invested in such a manner so as to ensure the absolute safety of principal and interest, to meet the liquidity needs of the City, and to achieve the highest possible yield in accordance with the City's Investment Policy. Interest earned from investment shall be provided. Cash forecasting models and procedures will be employed to maximize the amount of investment funds.

## Grants

*Grant Guidelines:* The City shall seek, apply for, and obtain those grants that are consistent with priority needs and objectives identified by City Council.

*Indirect Costs:* The City shall recover indirect costs to the maximum amount allowed by the funding source. The City may waive or reduce indirect costs if doing so will significantly increase the effectiveness of the grant.

*Grant Review:* The City shall review all grant submittals for their cash or in-kind match requirement, their potential impact on the operating budget, and the extent which they meet the City's policy objectives. If there are cash match requirements, the source of funding shall be identified and approved prior to application.

*Grant Program Termination:* The City shall terminate grant-funded programs and associated positions as directed by the City Council when grant funds are no longer available unless alternate funding is identified.

## Allowance Write-Off Policy

Write-offs of Accounts Receivables (A/R) are reviewed annually by the Director of Finance. Receivables are eligible for write-off after 18 months have elapsed. Documentation of notices, letters, and telephone calls should be made for each write-off.

Exceptions:

- Legal notification that account balances have been discharged through bankruptcy or legal notification of death of the debtor.
- Cases of forgery, involving the police, may be submitted for write-off prior to the 18-month stipulation only if accompanied by police reports and full documentation of the case. It must also be determined whether there is any possibility of recovery.
- If an account has recorded payment activity within four (4) months prior to 18 months, the account should not be considered for write-off.

## Delinquency Policy (Utility Billing)

If the utility account is not paid when due, the city shall assess a fee that has been adopted by the City Council for delinquency payment and give notice that the utility account is delinquent.

In addition, the notice shall:

- Set a date for water turn-off; and
- Specify that service will be shut off unless payment in full is made to the city by stipulated date; and

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

- Advise that an additional charge per the ordinance adopted by the city council will be added to the bill when service is reconnected.

Extensions can only be granted by Director of Finance but only for a maximum of 12 months.

## **Accounting, Auditing, and Financial Reporting**

The City shall comply with prevailing local, state, and federal regulations. Its accounting practices and financial reporting shall conform to generally accepted accounting principles (GAAP) as promulgated by the Governmental Accounting Standards Board (GASB), the American Institute of Certified Public Accountants (AICPA), and the Governmental Finance Officers Association (GFOA). The City Council shall select an independent firm of certified public accountants to perform an annual audit of all operations. The audit firm must demonstrate that they have the breadth and depth of staff to handle the City's audit in a timely manner. The audited financial statement should be prepared and presented to Council for approval within 120 days of the close of the fiscal year.

Consideration regarding the potential for inclusion of other entities, organizations, or functions in the City's reporting entity is based on criteria prescribed by generally accepted accounting principles (GAAP). These same criteria are evaluated in considering whether the City is a part of any other governmental or reporting entity. The overriding elements associated with prescribed criteria considered in determining the City's financial reporting entity status as that of a primary government are that it has a separately elected governing body, it is legally separate, and it is fiscally independent of other state and local governments. Additional prescribed criteria under generally accepted accounting principles include considerations pertaining to organizations for which the primary government is financially accountable, and considerations pertaining to other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

## **Internal Controls**

The Director of Finance is responsible for the development of citywide written guidelines on purchasing, cash handling, internal controls, and other financial matters. The Director of Finance will assist department managers as needed in tailoring these guidelines into detailed written procedures to fit each department's specific requirements. Each department manager is responsible to ensure that good internal controls are followed throughout his or her department, that all finance department guidelines on purchase and internal controls are implemented, and that all independent auditor control recommendations are addressed.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## SECTION 2 – FINANCIAL & OPERATIONAL INFORMATION

### REVENUES BY TYPE – ALL FUNDS

Revenue sources projected for FY 2022-23 total \$19.7 million (excluding transfers). In any budget, transfers between departments as well as transfers inside funds (e.g., transfers from fund balances to recognize revenues previously collected to be used for current projects) should not be recognized as current year revenue since money is being moved instead of generated for the City. The largest source of these transfers occurs in the Capital Projects fund where some projects are funded by bonds but take one or more fiscal years to complete or even begin. Excluding these transfers, the primary revenue categories are ad valorem tax revenues, licenses and permits revenues, miscellaneous tax revenues (e.g., sales tax and hotel taxes), and utility revenues. These comprise 94.7% of the total revenues. The remaining categories total \$1.03 million and include franchise fees, fines and fees, interest, and other source revenues which are revenues that do not readily fit into previously listed categories.

#### AD VALOREM TAX REVENUES

Revenues from ad valorem (or property) taxes represent \$8.29 million of total revenues. Property tax revenues are based on a tax rate proposed for FY 2022-23 of \$0.57000 per \$100 of assessed valuation. Property tax collection is authorized by the State of Texas with a maximum of \$2.50 per \$100 of assessed valuation for maintenance and operations and debt service.

#### MISCELLANEOUS TAX REVENUES

Sales tax revenue is the major funding piece of the “Miscellaneous Tax Revenues” category which account for \$3.65 million in the budget. The sales tax rate in Manvel is 8.25% for goods or services sold or delivered within the boundaries of the City. The tax is collected by businesses that make the sale and is remitted to the State Comptroller of Public Accounts on a monthly, quarterly or annual basis. Of the 8.25% tax, the State retains 6.25%, Brazoria County receives 0.50% and distributes 1.50% to the City. Of the total 1.50% local share, 2/3 is retained by the City of Manvel and deposited to the General Fund and 1/3 is allocated to the Manvel Economic Development Corporation (MEDC).

#### FRANCHISE FEE REVENUES

Franchise fees are anticipated to total \$605,000. Franchise fee revenues are derived from nonexclusive franchise agreements the City has with utility providers as well as the solid waste providers that use the City’s right-of way to conduct business. Besides defining the responsibilities of the utilities maintaining their assets, the agreements contain a franchise fee clause that requires the utilities and solid waste companies to compensate the City for use of right-of-way and streets. Generally, the fees are based on a percentage of gross receipts or a per-unit of usage charge (generated by customers located within the City’s corporate limits) that range from 2% to 5%.

#### LICENSES AND PERMITS REVENUES

Licenses and permits revenues are projected to generate \$5.03 million of total City revenues. The estimated revenues for FY 2021-22 have stabilized when compared to actual totals from the prior year.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

However, with continued growth the City expects high growth in new housing development to remain strong during FY 2022-23 which will likely result in above-budgeted revenues for this category again.

## **FINES AND FEES REVENUES**

Fines and fees represent \$275,150 of total City revenues. As this category is based on humans and how they behave, there will be some fluctuation but the revenues do not seem to change too drastically from year-to-year. Expanding the police force and adding population to the City should naturally result in higher revenue generation, but the City does not want the courts to be a revenue driving source.

## **INTEREST REVENUES**

Investment earnings do not account for a large portion of the total revenues but the amounts could be increasing as interest rates have been trending upward. For FY 2021-22, interest revenue rose back over \$100,000. As most municipalities do, Manvel has Public Funds Investment Act (PFIA) certified staff members who invest the funds with a primary goal of protecting the principal amount invested. As a result, the interest earned does not compare with the larger revenue sources. However, the principal is safe and the City does recognize the interest yielded from investing.

## **OTHER SOURCE REVENUES**

Other source revenues for FY 2022-23 are budgeted at \$92,200 of total revenues. This total can include agreements with property developers to provide payment for capital projects, grants that may be received by the City, bond sales, or any other non-repeating revenue source. This is the reason for such fluctuation in total revenues between each fiscal year. Since the category is designed for income which does not fit other categories and may not be expected, it is always a challenge to budget for this income stream. However, cautious estimates based on historical trends are used and surplus revenue is always a welcomed bonus for the City.

## **UTILITY REVENUES**

Utility revenues primarily represent water and wastewater charges for services. The projected amount for FY 2022-23 is \$1.70 million of total City revenues. The revenues generated for this category is split between customer charges in the Utility Fund, and impact fee charges recognized in that fund. As the billing and utilities departments worked to correct water accountability, the amount collected by the Utility Fund heavily outweigh the impact fees charged.

## Revenues by Type FY 2022-23: \$19,703,257

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## EXPENDITURES BY TYPE – ALL FUNDS

Expenditures for the City during FY 2022-23 are estimated to total \$32.72 million. The expenditure total is higher than the revenue total by type, but that is due to the transfer revenues not included on the revenue side while expenditures expected to be paid for with those funds is included. Expenditure categories for the City consist of personnel, commodities, contractual services, other services, and capital outlays. The percentage breakdown for each category can be seen on the associated chart. This \$32.72 million is \$1.406 million, or 4.12%, less than the FY 2021-22 budgeted amount.

### PERSONNEL SERVICES

Personnel costs represent \$9.3 million of the overall expenditures. This represents an increase from the previous year total. The City projects adding 3 new full-time positions. Insurance costs have increased and some half-year positions from the previous year are full positions this fiscal year.

### COMMODITIES

Commodities total \$616,950 of the overall expenditure total. This cost includes minor tools, fuel, office expenses, road materials, janitorial supplies and cleaning, postage, and other items. Commodities represent a small portion of expenditures and this year there was only a slight increase in the budgeted amount from FY 2021-22. As Manvel experiences growth and needs to add additional employees, the supplies needed to maintain operations will increase.

### CONTRACTUAL SERVICES

Contractual services for FY 2022-23 are budgeted at \$2.44 million. This category contains services such as utility payments, legal and recording fees, and computer software/maintenance. This expenditure is a slight increase from the previous year as some items that are not handled in-house were expected to increase.

### OTHER SERVICES

Other services for FY 2022-23 represent \$4.9 million of total City expenditures. These other services can include travel/training for employees, dues/subscription fees, and expenses for using consultants. The budgeted expenditures increased from the amount in the FY 2021-22 budget. Spending for items such as travel and training and events was still slow, but other expenditures in the category did rise with the growth of the City and the addition of employees needing resources.

### CAPITAL OUTLAYS

Capital outlays represent \$15.44 million of total City expenditures. Capital outlay expenditures are related to capital improvement projects within the City. Capital projects can be funded with bond proceeds, MEDC reimbursements, or General Fund revenues transferred into the fund. Project types may include City facilities, parks, water and wastewater. The Capital Project Fund represents the lion's share of the capital outlays expenditure category, but there are other costs which may include vehicle purchases or replacements, building repairs, or street and drainage improvements.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## EXPENDITURES BY MAJOR FUNDS – ALL FUNDS

### GENERAL FUND

General Fund expenditures are projected to be \$13.76 million for FY 2022-23. The majority of the expenditures are in the Police Department with \$4.47 million or 32.5%. The next largest department is Administration with \$2.91 million, or 21.1%, of expenditure projections. The Development Services department and Public Works department of the Community Services umbrella are projected to have expenditures in the general fund of \$1.6 million and \$2 million in projected expenditures, respectively. That would be 11.6% and 14.5% of the total General Fund expenditures.

### PROPRIETARY FUNDS

The City maintains two types of proprietary funds, the Utility Fund and the Vehicle Replacement Fund. The Utility fund is used to report the same functions presented as business-type activities in the government-wide financial statements. The Vehicle Replacement Fund is reported as a proprietary fund for budgetary purposes, but for annual financial statements reporting purposes this fund is eliminated.

The City uses the Utility Fund to account for its water distribution and wastewater collection/treatment. Total operating expenditures (excluding depreciation) for FY 2022-23 are projected at \$1.77 million, which will be a slight increase as more residents move to Manvel and use the water and wastewater services provided by the City. The benefit of that is the additional revenue provided to the City by those same customers who are adding to the number of connections the City services.

The City also uses a Vehicle Replacement Fund, which is an internal service fund to account for vehicle and equipment replacement costs. The revenues derived for this fund come from the individual funds that have previously purchased vehicles. Estimates of vehicle replacement costs are calculated using the useful life of each vehicle which the department then transfers to the replacement fund. Vehicle Replacement Fund expenditures remained constant as the City is replacing similar amounts year-to-year. Additionally, the fund balance for the Vehicle Replacement Fund is sufficiently high enough to be more aggressive on cutting costs the individual departments contribute.

### DEBT SERVICE FUND

The expenditure budget in the Debt Service Fund totals \$3.04 million for FY 2022-23, which is an increase over the previous year. The debt service portion of the total tax rate allows the City to pay for the bond costs, but that tax rate is used to only pay principal and interest so there is usually little to no excess, especially if a bond is issued during the year with an interest payment due that was not anticipated. This creates a fund balance that does not provide as much coverage as is the case in the General Fund.

## SALES TAXES

Total City sales taxes collected, including the Manvel Economic Development Corporation (MEDC), over the past 10 years have increased from \$1.51 million in FY2013 to \$3.39 million collected in FY 2020-21. At the time of this budget compilation, there are two months left to collect sales tax for FY 2021-22 (sales tax figures are reported almost two months behind the actual month) in order to surpass the figure from the previous fiscal year. The total so far in FY 2021-22 is \$2.79 million.

## GENERAL FUND

The General Fund accounts for resources traditionally associated with governments which are not required to be accounted for in another special fund. The General Fund is usually the most encompassing fund which includes the departments that account for the City's day-to-day operations. During the budget process, it is the General Fund that receives the most attention from City staff, Council, and the public. The attention is well deserved because it is this fund that reflects most of the critical issues affecting the community, from establishing a tax rate to determining employee staffing and benefits.

The anticipated ending fund balance in the General Fund for FY 2021-22 is projected to be \$8.95 million. Revenues and expenditures in the General Fund for the FY 2022-23 budget are \$13,765,946. Revenues are almost \$600 thousand more than the original FY 2021-22 budgeted value. There will be an estimated addition of \$650 thousand to property tax revenue caused by increased house values as the tax rate should remain constant. The other major revenue sources for the 2022-23 budget will be sales taxes and license and permit fees collected from the builders empowering the growth throughout Manvel.

Expenditures for operations in the FY 2022-23 budget are also \$13,765,946 (as is expected in a balanced budget) which is an increase from the previous year's original budgeted amount. As the City continues to grow, the expenditures will grow as well. Personnel will be needed to continue public works service, permitting, planning, and code enforcement. The City's Information Technology Department is growing as well, and the Police Department will receive personnel to keep ratios of police officers to citizens within optimal limits. Descriptions, goals and personnel staffing are included in each departmental section.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## Funding Sources (Revenues)

### AD VALOREM TAXES

Property taxes (ad valorem taxes) attach as an enforceable lien on property as of January 1 each year. The City's property tax is levied in September, following notification of the certified values to the City and Council approval by resolution. Taxes are due and payable upon adoption of the tax rate by City Council. The 2023 appraised tax roll values are expected to increase, much like they did in 2022.

### MISCELLANEOUS TAXES

The sales and use tax in Manvel is 8.25% on goods or services. The tax is remitted to the State Comptroller of Public Accounts who retains 6.25%, distributes 1.5% percent to the City and the other 0.5% to the county. One-third of the amount collected for the City is awarded to the Manvel Economic Development Corporation for various projects and administrative costs. The other two-thirds goes to the General Fund.

### FRANCHISE FEES

The City maintains franchise agreements with utility companies for the use of the City's right-of-way. These agreements generally require the utility company to compensate the City based on a percentage of gross receipts.

### LICENSES AND PERMITS

License and permit fees include fees charged for general construction permits and licenses. Various fees are charged for City inspections of electrical, plumbing, mechanical installations, health permits, housing code inspections, and other permit activities. As residential building activity remains high within the City and ETJ, the revenue from the various fees increases.

### FINES AND FEES

Fines and forfeitures are revenues received by the City for Class C misdemeanors and City ordinance violations. These numbers are not easily predicted as they are based on human behavior and whether fines are assessed and paid.

### INTEREST

The City earns interest on its pooled investment accounts. The interest rates on accounts have increased during this fiscal year period, but cautious revenue amounts will be projected. Any additional increases in interest rates will be an added revenue stream, which is always preferred to a deficit created by over-estimating.

### OTHER SOURCES

Other sources of revenues consist mostly of MEDC reimbursements, Alvin ISD Dispatch reimbursements, and a lease retainer agreement. These amounts may fluctuate greatly because they are based on income that may not be recurring or one-time collections that cannot properly be anticipated.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## TRANSFERS IN

The General Fund usually does not have any need for transfers in from other departments. One type of transfer is installed to have the ability to draw from the fund balance in case of an emergency situation. This is merely a precautionary mechanic to ensure that the City will have the ability to pay for any major disasters without receiving City Council approval (which may not be available, depending on the emergency situation). Once again, this revenue is not generated or new to the City. Instead, it is a recognition of revenue that was previously collected which may be used to pay for expenditures if needed.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## General Fund Revenues by Type FY 2022-23: \$13,765,946

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## Funding Uses (Expenditures)

### ADMINISTRATION

Administration includes the activities of the City Council, City Manager, City Secretary, and City Attorney. The City Manager provides the direction, leadership, and coordination of all departments. Functions include the management of City development plans, property acquisition, annexation, council agendas, responding to public information requests, and overall City management.

### LIBRARY

The City of Manvel provides assistance to the Manvel branch of the Brazoria County Library System with rental space costs, utilities, and a shared book program. This library provides services to both juveniles and adults.

### FINANCE

The Finance Department has general responsibility for the financial administration of the City which includes the recording and documenting all financial transactions, idle fund investment, debt management, budget preparation, risk management, tax collection, centralized cash receipts, accounts receivable, CIP and contract management, grant management, payroll, purchasing goods and services for the City, and payment of all invoices.

### INFORMATION TECHNOLOGY

The Information Technology Department handles hardware and software computer issues for City Hall and other City locations. Network security, phone issues, and general communications also fall under the department's scope.

### MUNICIPAL COURT

The Manvel Municipal Court handles fine-only Class-C criminal misdemeanor and City Ordinance violations. The Manvel Municipal Court has a Presiding Judge, Alternate Judges, Court Administrator and Deputy Court Clerks.

### DEVELOPMENT SERVICES

The Development Services Department provides plan review and inspection services for permits submitted by homeowners, businesses, contractors, and others functions necessary for the orderly development and growth of the City.

### PUBLIC WORKS

The Department of Public Works is under the Community Services group and is responsible for repairs and maintenance of the City's water system, sewer system, tree maintenance, streets, storm drains, parks, buildings and related facilities. It also provides oversight of City fleet and equipment, CIP management, HVAC, electric, and other general maintenance of City facilities.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## **FIRE MARSHAL**

The Fire Marshal Department is responsible for conducting plan reviews of commercial buildings, performing inspections of new and existing structures within the City and ETJ, and responding to and investigating fire incidents to determine the origin and cause. Other services include inspecting new and existing occupancies, responding to complaints of property violations, and assisting with police activities as back up on emergency and/or non-emergency calls.

## **EMERGENCY MANAGEMENT**

The Emergency Management Department performs the functions of planning, preparation, recovery and reduction of the impact from any type of disaster that could affect the City. The City Manager serves as the Emergency Management Coordinator with the Police Chief as the Assistant Emergency Management Coordinator.

## **CODE ENFORCEMENT**

The Code Enforcement Department is responsible for correcting violations of City code. These violations could encompass violations regarding residential property and/or land, commercial violations, health and food, or citizen complaints.

## **POLICE**

The Police Department is responsible for maintaining the safety of the citizens of the City of Manvel as well as the persons who travel to and visit our City. Included in the overall police budget increase are the related costs such as equipment, minor tools, fuel, replacement vehicles, and additional staffing this year.

## ADMINISTRATION

### DEPARTMENT VISION STATEMENT

To effectively administer and manage City operations, policies, program agendas, citizen inquiries and laws in an efficient and responsible manner.

### FUNCTIONS

- City Administration
- Mayor/City Council
- City Secretary
- Legal
- Public Information

### DEPARTMENT DESCRIPTION

Administration includes the activities of the City Manager, Assistant City Manager, City Secretary, and City Attorney. The City Manager is the Chief Administrative Officer of the City and is appointed by the City Council. Under the guidelines of the City Charter, Code of Ordinances, and State Law, the City Manager administers City ordinances and the policies of the City Council. The office provides the direction, leadership, and coordination of all departments.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Maintained AA+ bond rating and fund balance that exceeds recommended goals
- Negotiated agreements for development of commercial and residential tracts
- Continued timely response and processing of records requests
- Hired Public Information Officer to expand social media presence of the City
- Completed salary survey for City in order to establish pay ranges for all positions

### FY 2022-23 DEPARTMENT GOALS

- Expand the City's commercial and residential growth
- Continue to expand City's online presence and increase public participation
- Pursue bond issuance for continued growth and capital projects
- Use grant funding to increase Community Services and IT infrastructure

## LIBRARY

### DEPARTMENT VISION STATEMENT

To make readily available to the community educational materials and services that will promote excellence in informational, recreational, and instructive pursuits. Seek to encourage activities and ideas that will stimulate, enrich and expand interests of patrons of all ages.

### FUNCTIONS

- Administration

### DEPARTMENT DESCRIPTION

The Manvel library is part of the Brazoria County Library System. The City of Manvel provides assistance with rental space, utilities, and a shared book program designed to supplement the materials provided by the library system to ensure the best access to high-demand resources for the patrons of the Manvel branch. The major programs that occur at the branch are weekly story times, songs and crafts for preschoolers.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Increased programming for juveniles
- Continued circulation of books on shelves using book plan for purchases
- Initiated replacement of flooring for safety and health of children participating in programs

### FY 2022-23 DEPARTMENT GOALS

- Upgrade facilities for better access and ability to assist more citizens
- Increase attendance for juvenile and teen programs
- Continue phasing out non-circulating books from shelves
- Increase number of adult programs

## FINANCE

### DEPARTMENT VISION STATEMENT

To provide excellent financial reporting and budgeting services, safeguard City assets, and deliver excellent customer service.

### FUNCTIONS

- Administration
- Accounting and Budgeting
- Purchasing and Accounts Payable
- Utility Billing
- Human Resources

### DEPARTMENT DESCRIPTION

The Finance Department has general responsibility for the financial administration of the City. The department is responsible for preparing/coordinating the budget and departmental spending for the City, recording/documenting all financial transactions, investing idle funds, managing debt, processing cash receipts, managing grants, processing payroll, purchasing goods/services for the City, and processing and paying invoices. Additionally, the department includes a Human Resources Manager adding to the responsibilities of the department to include benefits, on-boarding of new hires, claims relating to workplace accidents, and all other employee-related concerns that funnel through the HR department.

The Finance Department maintains the books and records for the City financial activities. It is responsible for protecting the assets of the City and managing the risk of its operations. Purchases of goods and services are monitored by this department in accordance with state law. Contracts and invoices are processed, and checks are prepared accordingly. Payroll timesheets are checked for quality control and bi-weekly payroll is performed in this department. Investment of available funds is also performed by the Finance Director.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Received GFOA award for distinguished budget
- Continued reporting for City Council and staff on monthly basis
- Received end-of-year audit report with no misstatements
- Maintained all PFIA certifications for investment officers
- Began installation of new financial software to replace legacy system

### FY 2022-23 DEPARTMENT GOALS

- Strive for continued “no misstatement” status on annual audit report
- Submit budget for GFOA distinguished budget award
- Complete financial software upgrade for better access/reporting
- Update and upgrade policies including investments, fixed assets and vehicle replacement

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## INFORMATION TECHNOLOGY

### DEPARTMENT VISION STATEMENT

To maintain computer hardware, software, network capabilities and peripherals to support all City buildings and equipment so employees may provide uninterrupted service to the citizens of Manvel.

### FUNCTIONS

- Computer Hardware
- Software/Programs
- Network Security
- Phones and Peripherals

### DEPARTMENT DESCRIPTION

The Information Technology Department is responsible for the hardware and software functionality on all computers for the City. Network security/functionality and data safety are also duties of the IT Department. This includes servers and desktop/laptop models down to timeclock units used for clocking in and out at other City buildings.

Computers and technology are ever-changing and evolving, so the IT Department is also involved with upgrades to hardware and software to stay current with data safety and program use. This ranges from upgrading applications and hardware on individual computers to changing software platforms for entire departments.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Incorporated remote work for employees to use even without pandemic restrictions
- Increased security and redundancies to prevent or mitigate any security breaches
- Continuous training for certifications and knowledge for more efficiency/security
- Assisted with increasing social media presence
- Continued upgrades and monitoring of building security
- Hired Cyber Security Technician to focus on keeping City's IT infrastructure protected

### FY 2022-23 DEPARTMENT GOALS

- Continue capital project to increase network connectivity and redundancy for City locations
- Assist departments with software and hardware upgrades to make processes more efficient
- Continuing education for all team members to stay abreast of important changes in IT
- Assist Finance Department with installation and support for software as go-live date nears
- Continuous software/hardware instruction and installation for numerous new hires

## MUNICIPAL COURT

### DEPARTMENT VISION STATEMENT

To provide excellence in service, preserve and manage court records, and provide access to legal documents filed in the Municipal Court.

### FUNCTIONS

- Citations
- Court Dockets
- Warrants
- Collections

### DEPARTMENT DESCRIPTION

The Manvel Municipal Court handles violations involving Class-C fine-only criminal misdemeanors or City Ordinance violations. The Court Administrator supervises the clerical staff of the Municipal Court. All court staff members work closely with other city departments to ensure the vision of the Municipal Court is carried out effectively, efficiently and impartially.

The duties of the Court Clerks include: processing citations, accepting and preparing complaints, scheduling cases, preparing dockets, notifying defendants of hearings, maintaining court records (including complaints, citations, warrants, pleadings and judgments), preparing state reports, preparing affidavits and appeals, recording and properly disbursing funds for fines collected, maintaining the collection agency program, and preparing jury summons and subpoenas.

The Municipal Court Judges preside over all arraignment hearings, sign arrest and capias pro fine warrants, preside over trials (both jury and non-jury), set bonds, and perform magistrate functions for prisoners and juveniles.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Increased number of associate judges to eliminate backlog of cases
- Streamlined court software including scanning of files for cases
- Added Juvenile Case Manager designation to Clerk to begin teen court program
- Purged files that were outdated or incorrectly processed to close older cases
- Increased community relations and involvement with outreach programs
- Utilized newly acquired SETCIC software program to assist with warrants

### FY 2022-23 DEPARTMENT GOALS

- Improve security programs and procedures for safer appearances in court
- Work to develop paperless court systems and processes
- Work with Finance Department to create more effective reporting of collections and activities
- Improve state court related programs such as OMNIBASE and MVBA
- Achieve higher certification ratings for Clerks and Administrator

## DEVELOPMENT SERVICES

### DEPARTMENT VISION STATEMENT

To encourage high quality, sustainable and equitable growth and development of Manvel by facilitating more options for abundant housing, thriving neighborhoods, exceptional design in architecture and public spaces, preservation of historic resources, innovative regulatory practices, safe and durable buildings attentive customer service, and resident involvement.

### FUNCTIONS

- Planning
- Engineering
- Permits
- Inspections
- GIS

### DEPARTMENT DESCRIPTION

The Development Services Department is responsible for the orderly and logical growth of the City by providing professional support to citizens, developers, builders, and contractors. The Department also provides support to the City Council, appointed boards and commissions, and other City departments. The Development Services Department is responsible for the implementation of the Code of Ordinances, Building Codes, and other adopted plans through review of planning and zoning regulations, construction plans, inspections, permits, and new policies or amendments. The Department also provides GIS services with an overarching goal of fulfilling the geospatial demands and mapping needs for all City departments, staff and personnel, as well as citizens and businesses.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Expanded GIS system to benefit employees as well as contractors and citizens
- Continued quick response to citizens and developers on customer related issues
- Finished install of MyGOV software upgrade to better record request and permits
- Timely reporting to City Council and PD&Z to address platting issues and variances without delays to avoid automatic approvals for items not finished per State guidelines

### FY 2022-23 DEPARTMENT GOALS

- Create useful development handouts for citizens, developers, and builders
- Increase department size to assist increasing number of citizens and developers needing questions answered or direction on building/permitting procedures
- Implement a paperless system in an effort to increase efficiency in transparency and processes
- Continued coordination with other governmental agencies, developers, and builders to ensure the City adheres to all regulations and guidelines

## PUBLIC WORKS

### DEPARTMENT VISION STATEMENT

To provide public infrastructure and municipal services that protect and enrich the daily lives of those who live, work and visit the City of Manvel.

### FUNCTIONS

- Streets and Sign Maintenance
- Parks
- Drainage
- Facility Maintenance
- Fleet Maintenance

### DEPARTMENT DESCRIPTION

The Department of Public Works is responsible for repairs and maintenance of the City's streets, roadway construction, right-of-way, storm drains, parks, trees, buildings and related facilities.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Created safety committee and implemented safety standards for PPE and equipment
- Rehab and remodel of current Community Services facility
- Began Masters Road drainage improvements on C-12 ditch
- All crews certified in CPR, First Aid, Flagger, and FEMA ICS
- Improved drainage by rehabilitating 20,000 ft of ditches
- Purchased and installed tables, cement slabs, and playground equipment at Croix Park
- Completed asphalt street assessment study for street reconstructions and widening
- Added additional employees for Inspections, Equipment Operation and Administration

### FY 2022-23 DEPARTMENT GOALS

- Rehabilitate 2 miles of asphalt streets using data collected from street assessment
- Continue planning and improvements for Croix Park
- Create and implement sign program to improve aesthetics and meet design criteria
- Create and implement street sweeping program to keep detention and pipes clear
- Expand usage of MyGOV software after upgrade to improve job efficiency and communication
- Increase/improve training to maximize efficiency and reduce safety hazards while working
- Maintain buildings and fleet even during emergency events when needed as essential personnel

## FIRE MARSHAL

### DEPARTMENT VISION STATEMENT

To make the City of Manvel a safe place to live, work, and visit, by protecting individuals, preserving property, promoting a clean community and maintaining an exceptional quality of life.

### FUNCTIONS

- Fire Marshal
- Fire Safety Training/Public Education

### DEPARTMENT DESCRIPTION

The Fire Marshal Department is responsible for conducting plan reviews of commercial buildings and performing inspections of new and existing structures within the city and ETJ to ensure they meet current Fire Codes and City ordinances. The Fire Marshal Department responds to fire incidents to determine the origin and cause, investigate activities leading up to the fire, interview witnesses and makes arrests as needed. The Fire Marshal Department also inspects new and existing occupancies to maintain code requirements in buildings and properties in order to protect individuals from fire and life safety hazards.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Filled Fire Marshal position with qualified and certified candidate
- Purchased software specifically for Fire Marshal use for inspections and reporting
- Conducted numerous official and courtesy inspections for facilities throughout the City
- Worked with businesses to correct health/safety violations to ensure compliance

### FY 2022-23 DEPARTMENT GOALS

- Add staff to ensure timely inspections when needed
- Continue inspections to ensure health/safety concerns are addressed
- Increase involvement in Emergency Management
- Maintain software to ensure record keeping and payments for permits are correct

## EMERGENCY MANAGEMENT

### DEPARTMENT VISION STATEMENT

To provide timely and effective emergency management services to the citizens, visitors and City staff.

### FUNCTIONS

- Emergency Management

### DEPARTMENT DESCRIPTION

During FY 2016-17, the City Manager was appointed as the Emergency Management Director and the Fire Marshal was appointed as the Assistant Emergency Management Coordinator. This department performs the functions of planning, preparation, recovery and reduction of the impact of any type of disaster that could affect the City.

City departments also assist with particular responsibilities through an Emergency Operations Plan and would act accordingly to the plan if the City experienced any disaster. The City receives various levels of training and periodically performs different types of emergency response exercises in order to meet the state and federal guidelines and measure the preparedness level of all departments.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Prepared command center for possible effects from hurricanes
- Ordered and maintained PPE and supplies
- Completed annexes for emergency situations to deal with supply and other emergency issues

### FY 2022-23 DEPARTMENT GOALS

- Continue updating the emergency management plan based off of emergency events and lessons learned on what can be improved
- Attend the Texas Emergency Management Conference
- Attend emergency management classes
- Continue training and check-in procedures with Emergency Operations web site

## CODE ENFORCEMENT

### DEPARTMENT VISION STATEMENT

To make the City of Manvel a safe place to live, work, and visit by protecting individuals, preserving property, promoting a clean community and maintaining an exceptional quality of life.

### FUNCTIONS

- Code Enforcement
- Health Inspections and Enforcement

### DEPARTMENT DESCRIPTION

The Code Enforcement department is comprised of Code Enforcement and Health Inspection Officers. Code Enforcement Officers are responsible for the enforcement of the City of Manvel's Code of Ordinances. These officers work with residents to gain compliance with the City's codes, and at times enforce these codes through legal actions.

The Health Inspector is responsible for inspecting and enforcing the Texas Health Code with food establishments and mobile food vendors. The responsibility of the Health Inspector is to gain compliance with the Texas Health and Safety Code through voluntary compliance or legal actions if warranted. These divisions are a necessary part of the development and growth of the City of Manvel to ensure the health and safety of the residents and to all those who visit our city.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Hired two officials certified in Code Enforcement, one of which is certified in Health as well
- Completed several health inspections which resulted in establishments complying with the health and safety code
- Completed several code violations inspections and cases which resulted in properties being cleaned and gaining compliance with the City code

### FY 2022-23 DEPARTMENT GOALS

- Continue progress with health and code inspections
- Work with food establishments for voluntary compliance using pro-active approaches
- Continue progress with code violations and continue working with citizens to resolve the violations and get property owners to voluntarily comply with codes when possible

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## POLICE

### DEPARTMENT VISION STATEMENT

The members of the Manvel Police Department are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our city.

### FUNCTIONS

- Administration
- Criminal Investigations
- Patrol
- Communications
- Records/Support Staff
- Community Relations

### DEPARTMENT DESCRIPTION

The Police Department is responsible for maintaining the safety of the citizens of the City of Manvel as well as the persons who travel to and visit our city. This is accomplished by vigilant patrol and rapid response to calls for service. The officers of the Police Department are responsible for enforcing Federal, State and Local Laws. The members of the Police Department take pride in the standard they set with the relationship between the community and their Police Department.

The Police Department is commanded by the Chief of Police who oversees the overall activities of the department and the different divisions. The Chief of Police writes and sets policy for the department, researches and compiles reports for criminal statistics, manages the department's budget and purchasing, approves leave and requested training, responds to assist on calls for service, enforces traffic and criminal law and any other duty that would maintain the efficiency of the department.

The Criminal Investigations Division consists of a Detective Sergeant and three Detectives. The Criminal Investigations division is responsible for investigating reported criminal activity, obtaining arrest warrants as well as evidence management. The CID responds to major criminal offenses, processes crime scenes, and collects evidence for investigation and prosecution. They also process evidence for fingerprints or identifiers that would identify a suspect in a case such as DNA.

The Patrol Division is made up of Patrol Sergeants and Patrol Officers. The officers of the department are responsible for patrolling the city and enforcing Federal, State and Municipal Laws. Officers enforce traffic law, investigate accidents, respond to and handle calls for service, animal complaints, business and residential alarms, conduct vacation watches and close patrols. Officers write reports and investigate criminal activity which includes processing scenes for evidence, collecting evidence, submitting reports for investigation and prosecution, obtaining warrants for arrest and making arrests of individuals identified as suspects in criminal cases. The traffic division falls under the patrol operations of the department. Traffic officers are specially trained in collision re-construction and investigation, DWI enforcement and Impaired Driving investigations. Currently there is one officer assigned to the traffic division. These officers work staggered shifts and are assigned based on the need of enforcement. They

# CITY OF MANVEL, TEXAS

## =====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

concentrate in high traffic areas and areas where the department has received complaints of speeding or reckless driving.

The department's Communications Division has seven persons assigned. Telecommunications Officers answer the incoming administrative phone calls, 911 emergency calls and dispatch for the Manvel Police Department, as well as the Alvin Independent School District Police on weekends and holidays.

The department's Administrative Assistant/ Office Manager position handles the records management of the department; compiles data for monthly and quarterly reports as well as data for the NIBRS (National Incident Base Reporting System) to be submitted monthly. The Administrative Assistant assists records with reviewing reports and prepares the reports and supporting documents to be submitted for prosecution; monitors the records management system and ensures the data entry is correct as well as the CAD (Computer Aided Dispatch) data entry. Monitors the training of the communications personnel and department personnel who have access to the TLETS system (Texas Law Enforcement Telecommunications System), receives and compiles public information records request; Monitors the Mobile and Body Camera Systems and is currently the Administrator with the Records Management/CAD.

### **FY 2021-22 DEPARTMENT ACCOMPLISHMENTS**

- Added 12 new positions (8 patrol, 1 records clerk, 2 dispatchers, 1 community relations officer)
- Added an officer to Criminal Investigations Division for a total of four investigators
- Added four new patrol units to current fleet
- Attended recruiting events throughout the region
- Participated in several community relations events
- Developed and implemented a career development program
- Completed a review and implemented an updated Field Training Program
- Equipment for dispatch radio consoles was purchased and installed
- Sever officers attended mental health officer training

### **FY 2022-23 DEPARTMENT GOALS**

- Continue to add staff to the patrol and support divisions
- Review and implement the Training Program for Communications
- Continue officer training involving mental health
- Add an animal control officer

## SPECIAL REVENUE FUNDS

### COMMUNITY IMPACT FEE FUND

The Community Impact Fee Fund provides for the accounting of fees collected for the expansion of the water & wastewater system. These fees are calculated and reviewed according to state provisions. These fees are collected from new development and used to pay for capital projects in the area of new development which deal with infrastructure.

## PARKS FUND

The Parks Fund provides for the accounting of committed funds for park land and development. This fund was broken out of the General Fund and converted to a special revenue fund when a donation was given to the City specifically for parks improvement. The main source of revenue for the Parks Fund is transfers from the General Fund. The expenditures reported are for care, maintenance, and upkeep. There is also an expenditure line item for projects to improve the parks as well.

## MUNICIPAL JURY FUND

The Municipal Jury Fund provides for the accounting of fees collected by the Court in accordance with State statute to pay for jurors needed for jury trials. Previously, jury expenses were paid through the Municipal Court Fund and fees collected by the State were not broken down by types. Changes to the statutes caused the need to create a separate fund to show revenues and expenditures.

## TRUANCY PREVENTION FUND

The Truancy Prevention Fund provides for the accounting of fees collected by the Court in accordance with State statute. The funds must be used for specific programs or service to deter truancy in juveniles. This fund was created per State statute to recognize revenue collected from court costs. A Juvenile Case Manager position was added for one of the Court Clerks in order to initiate a teen court program which is a valid expenditure to use funds collected.

## MANVEL ECONOMIC DEVELOPMENT CORP (MEDC) FUND

This MEDC Fund accounts for the Manvel Economic Development Corporation. The revenues are derived by using 1/3 of the amount of sales tax received by the City, and are designated for economic development. The MEDC is comprised of board members who hear requests from citizens looking to create projects in the City who may need financial help to start the project. The board approves or denies requests based on the project criteria and how it will help the City from an economic standpoint.

## PROPRIETARY FUNDS

### VEHICLE/EQUIPMENT REPLACEMENT FUND

The Vehicle/Equipment Replacement Fund provides for the accounting of funds allocated from the various departments for the usage/replacement of vehicles and particular equipment. These funds are budgeted within the associated departments and transferred into this replacement fund. The amounts for City vehicles/equipment are scheduled over their useful life and updated for price changes over time. As units are scheduled for replacement, they are purchased and the cycle continues. Any new units that are first approved in a department's Capital Outlay line item will be added to this schedule in the year after purchase.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## UTILITY FUND

The Utility Fund will operate as an enterprise fund, meaning it will be funded through water, utility capacity fees, sewer and reuse service revenues. The Utility Fund has generally needed transfers from the General Fund to match revenues to expenditures. However, more connections have been added, and should result in the fund being self-sufficient this year. With three water treatment plants and a wastewater treatment facility, the Utility Department provides service to the residents and businesses in Manvel. The Utility

Department is responsible for providing high quality, safe drinking water and environmentally responsible wastewater service to the community.

## Administration

### DEPARTMENT VISION STATEMENT

To make the City of Manvel a safe place to live, work, and visit by protecting individuals, preserving property, promoting a clean community, and maintaining an exceptional quality of life.

### FUNCTIONS

- Administration
- Water Treatment
- Water Distribution
- Wastewater Treatment
- Wastewater Distribution
- Utility Construction

### DEPARTMENT DESCRIPTION

The Utility Department is responsible for providing outstanding water and wastewater services to the community while complying with Federal and State superior regulatory requirements. This includes administrative oversight in operations, development maintenance, engineering services, GIS database management, data analysis, innovative solutions and exceptional services to all of our customers. Additional services include project management, plan reviews, contract administration, and investigating infrastructural and technical issues.

### FY 2021-22 DEPARTMENT ACCOMPLISHMENTS

- Hired five new employees and promoted three others within the department
- Prepared and initiated addition of the new SCADA System for water and wastewater
- Increased number of TCEQ licenses from 2 to 13 including on class A license
- Corrected unreported and unbilled water usage to average 95% collections by identifying and replacing broken meters, service lines, and reporting water loss from leaks
- Two TEEX Certified Water Professional Designations (appx 350 in Texas total)

### FY 2022-23 DEPARTMENT GOALS

- Continue to improve operations while maintaining safe and efficient service
- Continue to add Certified Water Professional Designations to employees
- Continue with training opportunities which may lead to obtaining various required and suggested certifications in water, wastewater, or ground water
- Complete designs of the Community Services Building and MBR Treatment Plant
- Increase training for employees on heavy equipment machinery

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## DEBT SERVICE FUND

The Debt Service Fund is used to account for the payment of principal and interest on general obligation bonds, certificates of obligations, tax notes and lease agreements. The schedule of bond indebtedness indicates the date of issuance, effective interest amounts, and outstanding debt at the beginning of the year. The summary of total bond indebtedness shows the total principal and interest requirements to maturity. The current tax levy is based on the appraised values provided by the Brazoria County Appraisal District (BCAD). The budget as presented includes the certified values from the BCAD. Delinquent tax collections, penalties, and interest are based on trend analysis. As a Home Rule Charter city, the City of Manvel is not limited by law in the amount of debt it may issue. Under Article XI, Section 5 of the State of Texas Constitution and the City Charter, the maximum tax rate for all purposes is \$2.50 per \$100 of assessed valuation.

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## CAPITAL PROJECTS FUNDS

The Capital Projects Fund provides for the accounting of projects over \$25,000 that are expected to take longer than the annual budget appropriates and has a useful life of more than 5 years. The Capital Project Fund accounts for the revenues and expenditures on an annual basis, while the overall Capital Improvement Plan (CIP) accounts for each project’s total revenues and expenditures over several years. These projects have the added stipulation that all or some of the moneys used are generated from bond issuances. The Capital Projects Bond Fund was merged back into the Capital Projects Fund and is now included for reference purposes while historical values are still relevant.

## CAPITAL IMPROVEMENTS PROGRAM (CIP)

The City of Manvel Capital Improvements Program (CIP) is a process by which the City develops a multi-year plan for major capital expenditures that matches available resources and satisfies the City tax rate stabilization objective. The threshold for capital projects was established as projects that exceed \$25,000.

The current CIP is used as a planning tool and provides for construction or acquired assets over a five (5) year period. Projects are analyzed and funded based on funding needs and projections. On some occasions, other sources of funding are made to allow the total project to occur.

Some planned projects in the future involve the purchase of services and land and may not require future maintenance. Those facility projects that are planned will require additional utility and maintenance and often are not material.

Per City Charter, the CIP will continue to be reviewed and updated on an annual basis. The update will consist of both new projects and added updates to existing projects. Updates may include revised scope, cost, or scheduling, as appropriate. The City's FY2016-2020 identified 30 Projects which have been slightly modified as a result of added needs or retooled programs.

## WASTEWATER IMPROVEMENTS

<b>Project Name:</b>	<b>Wastewater Improvements</b>						<b>Status:</b>	In Progress
<b>Project Description:</b>	Developers have agreements with the City to pay for improvements to wastewater infrastructure to provide wastewater services to expanding subdivisions within Manvel. These payments are made in incremental blocks and the upgrades to the water/wastewater are handled by the City.							
<b>Project Type:</b>	<b>General</b>	<b>Parks</b>	<b>Streets</b>	<b>Water</b>	<b>Waste</b>	<b>Surface</b>	<b>Total</b>	
					\$2,539,000		\$2,539,000

## **MULTI-PURPOSE TRAIL SYSTEM**

<b>Project Name:</b>	<b>Multi-Purpose Trail System</b>						<b>Status:</b>	Future
<b>Project Description:</b>	Trails and bikeways are a key component of a parks and recreation system in addition to facilitating non-motorized means of transportation. Manvel has a great opportunity to capture space for trails prior to becoming a "built-out" community. Currently, there is no city-wide system of pedestrian facilities that exists.

## NEIGHBORHOOD PARK PROTOTYPE (1.5 TO 2 ACRES)

<b>Project Name:</b>	<b>Neighborhood Park Prototype (1.5 to 2 acres)</b>						<b>Status:</b>	Future
<b>Project Description:</b>	This park will emphasize activities toward young children, play equipment, and open space. Minor passive areas are provided for adult use and may include seating areas and picnic and shade structures/gazebos. Typically, an architectural element (e.g. gazebo) is the focal point. Other amenities include park benches, picnic settings, bike racks, pathways, and parking.

## GLOSSARY OF TERMS

**ACCOUNT** – A term used to identify an individual asset, liability, expenditure control, revenue control, or fund balance.

**ACCRUAL BASIS** – The basis of accounting under which transactions are recognized when they occur regardless of the timing of related cash flows.

**ACCOUNT NUMBER** – A set of accounts used in the general ledger by the City to indicate the fund, department and activity.

**ACCRUED EXPENSES** – Expenses incurred but not due until a later date.

**ACTIVITY** – A group of related functions performed by one or more organizational units for the purpose of accomplishing a function for which the City is responsible.

**AD VALOREM TAXES** – Commonly referred to as property taxes, levied on real and person property at 100% valuation according to the properties valuation and the tax rate.

**ADOPTED BUDGET** – The final budget adopted by ordinance by the City Council.

**APPROPRIATION** – An authorization granted by a legislative body to make expenditures to incur obligations for specific purposes. An appropriation is limited in amount to the time it may be expended.

**ASSESSED VALUATION** – Total gross valuation assigned to property for ad valorem taxation purposes. In Texas, taxable property is assessed at 100% of market value.

**ASSET** – A probable future economic benefit obtained or controlled by a particular entity as a result of past transactions or events.

**ASSIGNED FUND BALANCE** – Amounts a government intends to use for specific purposes, but are neither restricted nor committed. However, the intent should be expressed by the Council or the Council's designee (City Manager and Financial Director). This is similar to Committed Fund Balance except that in this instance no formal Council action is required, such as an ordinance or resolution. Amounts encumbered for a specific purpose may be reported as assigned fund balance only if the resources are not already considered to be reportable as restricted or committed fund balance. The purpose must be stated but not necessarily the amount as the actual amount may not be known at the time the purpose or need is required.

**AUDIT** – A systematic collection of the sufficient, competent, evidential matter needed to attest to the fairness of management's assertions in the financial statements or to evaluate whether management has efficiently and effectively carried out its responsibilities. The auditor obtains the evidential matter through inspection, observation, inquires and confirmations with third parties.

**BALANCED BUDGET** – The operating budget is balanced with current revenues greater than or equal to current expenditures or expenses.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

**BASIS OF ACCOUNTING** – A term used to refer to when revenues, expenditures, expenses, and transfers and the related assets and liabilities – are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or the accrual method.

**BOND** – A written promise, generally under seal, to pay a specified amount of money, called the face value, at a fixed time in the future, called the date of maturity, and carrying interest at a fixed rate, usually payable periodically.

**BONDED INDEBTEDNESS** – That portion of indebtedness represented by outstanding bonds.

**BONDS ISSUED** – Bonds sold by the City.

**CAPITAL OUTLAY (CAPITAL EXPENDITURE)** – Any item purchased by the City which meets the City's capitalization criteria. They are: has a value of \$5,000 or more, has an anticipated life of more than one year, and/or can be readily identified and tracked as an individual item. These expenditures result in the acquisition of or addition to fixed assets.

**CAPITAL PROJECTS FUND** – Established to account for and report financial resources that are restricted, committed and assigned to expenditure for capital outlay including the acquisition or construction of capital facilities and other capital assets.

**CAPITAL IMPROVEMENTS PROGRAM** – A plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each capital project and the amount and the method of financing.

**CASH BASIS** – A basis of accounting under which transactions are recognized only when cash is received or disbursed.

**CERTIFICATIONS OF OBLIGATION (CO)** – Legal debt instruments which finance a variety of projects such as major equipment purchases, improvements and infrastructure construction. These certificates are backed by the full faith and credit of the issuing government and are financed through property tax and/or utility revenues, generally for a shorter term than bonds. COs are authorized by the City Council.

**CITY CHARTER** – The document of a home rule City similar to a constitution, which establishes the City's government structure and provides for the distribution of powers and duties among the various branches of the government.

**CITY COUNCIL** – The Mayor and six (6) Council members collectively acting as the legislative and policymaking body of the City.

**COMMITTED FUND BALANCE** – Amounts constrained to specific purposes by a government itself. These amounts are committed by Council action (ordinance or resolution) and cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of action (ordinance or resolution) that was employed to previously commit these funds.

**COMMODITIES** – Include articles and supplies, which are consumed or materially altered when used. Examples are office supplies and minor tools and equipment.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

**CONTRACTUAL SERVICES** – Include expenditures for auditing services, legal services, utilities and services.

**DEBT SERVICE FUND** – A fund established to finance and account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. Also called a SINKING FUND.

**DELINQUENT TAXES** – Taxes remaining unpaid at end of current fiscal year. Although taxes become delinquent and accrue penalties and interest on February 1 of each year, they are carried as current taxes receivable during the current fiscal year.

**DEPARTMENT** – A section of the total organization, which is comprised of various operations and is under the oversight of a Director who reports to the City Manager.

**DEPRECIATION** – The periodic expiration of a fixed asset’s useful life. There are several methods for computing depreciation. Straight line, which is the most common, divides the value of the asset at acquisition by its estimated useful life. This amount is then charged to expense until the asset is fully depreciated. Depreciation is not a budgeted item.

**DETAIL OF EXPENDITURES** – Line item expenditures by account within each division of the General Operating Fund of the City.

**DISTINGUISHED BUDGET PRESENTATION AWARD** – A voluntary program administered by the Government Finance Officer Association to encourage governments to publish well organized and easily readable budget documents and to provide peer recognition and technical assistance to the fiscal officers preparing them.

**EFFECTIVE TAX RATE** – Calculation as required by the State Property Tax Code. The Effective Tax Rate applied to the year’s tax base would generate the same amount of taxes levied last year if you adjusted for new property and new exemption.

**ENTERPRISE FUND** – A fund established to account for operations financed and operated in a manner similar to private business enterprises such as water and wastewater funds, airport, and other services where primarily the cost of goods and services to the general public are recovered through use charges.

**EXPENDITURES** – If the accounts are kept on the accrual basis, this item designates total charges incurred, whether paid or unpaid, including expenses, provision for retirement of debt not reported as a liability of the fund for which retired and capital outlays.

**EXTRA-TERRITORIAL JURISDICTION** – The land bordering a City’s limits that the City has limited control over but does not furnish City services to nor collect ad valorem taxes from. This is an area outside of City limits that could become part of the City.

**FISCAL YEAR** – A twelve-month period at the end of which a governmental unit determines its financial condition and the results of its operations and closes its books.

**FIXED ASSETS** – Assets of long-term character that is intended to continue to be held or used, such as land, buildings, machinery, furniture and other equipment.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

**FRANCHISE FEE** – The fee paid by public service businesses for use of City streets, alleys and property in providing their services to the citizens of a community. Services requiring franchises include electricity, telephone, natural gas and cable television.

**FUND** – An independent fiscal and accounting entity with a self-balancing set of accounts regarding cash and/or other resources, together with all related liabilities, obligation, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

**FUND ACCOUNTING** – A governmental accounting system that is organized and operated on a fund basis.

**FUND BALANCE** – The difference between fund assets and fund liabilities of governmental and similar trust funds.

**FUND TYPE** – Any one of seven categories, which all funds are classified in governmental accounting. The seven fund types are: general, special revenue, debt service, capital projects, enterprise, internal service, and trust and agency.

**GENERAL FUND** – The fund that is available for any legal authorized purpose and which is therefore used to account for all revenues and all activities except those required to be accounted for in another fund. Note: The General Fund is used to finance the ordinary operation.

**GENERAL OBLIGATION BONDS** – Bonds for whose payments the full faith and credit of the issuing body are pledged. More commonly, but not necessarily, general obligation bonds are considered to be those payable from taxes and other general revenues.

**GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)** - Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP encompass the conventions, rules and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedure. GAAP provide a standard by which to measure financial presentations. The primary authoritative body on the application of GAAP to state and local governments is the Government Accounting Standards Board.

**GOVERNMENTAL ACCOUNTING** – The composite activity of analyzing, recording, summarizing, reporting and interpreting the financial transactions of government.

**GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB)** – The authoritative accounting and financial reporting standard-setting body for governmental entities.

**INTEREST & SINKING (also known as Debt Service)** – A fund established to finance and account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

**INTERNAL SERVICE FUND** – Funds used to account for the financing of goods or services provided by one department or agency to other departments or agencies of a government on a cost-reimbursement basis.

**LEGAL DEBT MARGIN** – The maximum debt a city may issue. Under the Home Rule Charter, the City is not limited by law in the amount of debt it may issue.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

**LEVY** – To impose taxes, special assessments, or service charges for the support of City services.

**LIABILITIES** – Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide service to other entities in the future as a result of past transactions or events.

**LONG TERM DEBT** – Debt with a maturity of more than one year after the date of issuance.

**MODIFIED ACCRUAL BASIS OF ACCOUNTING** – Under this basis of accounting, revenues are recognized when susceptible to accrual when they become both measurable and available. “Measurable” means the amount of the transaction can be determined and “available” means collectible within the incurred period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred. Principal and interest general long-term debt are recorded as liabilities when due.

**NONSPENDABLE FUND BALANCE** – This includes amounts that cannot be spent because they are not in spendable form or they are legally or contractually required to be maintained intact. The “not in spendable form” criterion includes items not expected to be converted to cash, for example, inventories, prepaid items, and the long-term portion of loans and notes receivable, as well as property acquired for resale.

**OPERATING BUDGET** – Plans of current expenditures and the proposed means of financing them. The annual operating budget (or, in the case of some state governments, the biennial operating budget) is the primary means by which most of the financing, acquisition, spending and service delivery activities of a government are controlled. The use of annual operating budgets is usually required by law. Even when not required by law, however, annual operating budgets are essential to sound financial management and should be adopted by every government.

**OPERATING EXPENSES** – The cost of personnel, materials and equipment required for a Department to function.

**ORDINANCE** – A formal legislative enactment by the governing body of municipality. If it is not in conflict with any higher form of law, such as state statute or constitutional provision, it has full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Ordinarily, the statutes or charter will specify or imply those legislative actions that must be by ordinance and those that may be by resolution. Revenue-raising measures, such as the imposition of taxes, special assessments and service charge, universally require ordinances.

**OTHER SERVICES** – Includes miscellaneous expenditures not accounted for in personnel, commodities or contractual services.

**PUBLIC HEARING** – The portions of open meetings held to present evidence and provide information on both sides of an issue.

**RESTRICTED FUND BALANCE** – Amounts constrained to specific purposes by law through constitutional provisions or enabling legislation or by contract whereby constraints have been placed on the use of funds externally by creditors, grantors, contributors, or laws or regulations of other governments. Capital Projects Fund Balances and Debt Service Fund Balances are examples of this.

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

**REVENUES** – (1) Increases in the net current assets of a governmental fund type from other than expenditures fund and residual equity transfers. Also, general long-term debt proceeds and operating transfers are classified as “other financing sources” rather than as revenues. (2) Increases in the net total assets of a proprietary fund type from other than expense refunds, capital contributions and residual equity transfers. Also, operating transfers in are classified separately from revenues.

**SPECIAL REVENUE FUND** – A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or for major capital projects) that are legally restricted to expenditure for specified purposes.

**SURPLUS** – Exceeding what is needed or used.

**TAX ABATEMENT** – A full or partial exemption of ad valorem taxes for a specified time of certain real and/or personal property. Used as an economic development tool by cities.

**TAX INCREMENT REINVESTMENT ZONE (TIRZ)** – A development or re-development financing tool created under the provisions of the Texas State Statute, Chapter 311 of the Tax Increment Financing Act. A TIRZ provides a method to finance improvements in a specifically designated zone using tax increment funds.

**TAX LEVY** – Total revenues to be raised by ad valorem taxes for expenditures of general operating expenditures and debt service payments.

**TAXES** – Compulsory charges levied by government to finance services performed for the common benefit. This term does not include specific charges made against a particular persons or property for current or permanent benefits, such as special assessments. Neither does the term include charges for service rendered only to those paying such charges (e. g., sewer service charges).

**TAX RATE** – The amount of tax levied for each \$100 of assessed valuation.

**TAXABLE VALUE** – Estimated value of taxable property to which the ad valorem tax rate is applied.

**TRUTH IN TAXATION LAWS** – Texas State Law that requires all taxing units to calculate and publish the effective tax rate and other notices as assessed values increase to notify the taxpayer of the entity’s intent to raise taxes.

**UNASSIGNED FUND BALANCE** – Amounts that are available for any purpose. This includes amount not included in any other category (the residual). Only the general fund may have unassigned fund balance.

**WORKING CAPITAL** – The current assets less liabilities of a fund. For budgetary purposes, working capital, rather than retained earnings, is general used to reflect the available resource of proprietary funds.

## TAX RATE CALCULATION FORMS

### 2022 Tax Rate Calculation Worksheet Taxing Units Other Than School Districts or Water Districts

Form 50-856

CITY OF MANVEL	832-336-4069
Taxing Unit Name	Phone (area code and number)
20025 Hwy. 6, Manvel, Texas	www.cityofmanvel.com
Taxing Unit's Address, City, State, ZIP Code	Taxing Unit's Website Address

**GENERAL INFORMATION:** Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001 (1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Law Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

#### SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	No-New-Revenue Tax Rate Worksheet	Amount/Rate
1.	<b>2021 total taxable value.</b> Enter the amount of 2021 taxable value on the 2021 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property values subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17). <sup>1</sup>	\$ 1,124,452,103
2.	<b>2021 tax ceilings.</b> Counties, cities and junior college districts. Enter 2021 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in 2021 or a prior year for homeowners age 65 or older or disabled, use this step. <sup>2</sup>	\$ 0
3.	<b>Preliminary 2021 adjusted taxable value.</b> Subtract Line 2 from Line 1.	\$ 1,124,452,103
4.	<b>2021 total adopted tax rate.</b>	\$ 0.570000 /\$100
5.	<b>2021 taxable value lost because court appeals of ARB decisions reduced 2021 appraised value.</b>	
	A. Original 2021 ARB values: .....	\$ 835,600
	B. 2021 values resulting from final court decisions: .....	- \$ 754,233
	C. 2021 value loss. Subtract B from A. <sup>3</sup>	\$ 81,367
6.	<b>2021 taxable value subject to an appeal under Chapter 42, as of July 25.</b>	
	A. 2021 ARB certified value: .....	\$ 0
	B. 2021 disputed value: .....	- \$ 0
	C. 2021 undisputed value. Subtract B from A. <sup>4</sup>	\$ 0
7.	<b>2021 Chapter 42 related adjusted values.</b> Add Line 5C and Line 6C.	\$ 81,367

2022 Tax Rate Calculation Worksheet – Taxing Units Other Than School Districts or Water Districts		Form 50-856
Line	No-New-Revenue Tax Rate Worksheet	Amount/Rate
19.	<b>Total value of properties under protest or not included on certified appraisal roll.</b> <sup>13</sup> <b>A. 2022 taxable value of properties under protest.</b> The chief appraiser certifies a list of properties still under ARB protest. The list shows the appraisal district's value and the taxpayer's claimed value, if any, or an estimate of the value if the taxpayer wins. For each of the properties under protest, use the lowest of these values. Enter the total value under protest. <sup>14</sup> ..... \$ <u>118,551,458</u> <b>B. 2022 value of properties not under protest or included on certified appraisal roll.</b> The chief appraiser gives taxing units a list of those taxable properties that the chief appraiser knows about but are not included in the appraisal roll certification. These properties also are not on the list of properties that are still under protest. On this list of properties, the chief appraiser includes the market value, appraised value and exemptions for the preceding year and a reasonable estimate of the market value, appraised value and exemptions for the current year. Use the lower market, appraised or taxable value (as appropriate). Enter the total value of property not on the certified roll. <sup>15</sup> ..... + \$ <u>0</u> <b>C. Total value under protest or not certified.</b> Add A and B. \$ <u>118,551,458</u>	
20.	<b>2022 tax ceilings.</b> Counties, cities and junior colleges enter 2022 total taxable value of homes leads with tax ceilings. These include the home-steads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in 2021 or a prior year for homeowners age 65 or older or disabled, use this step. <sup>16</sup>	\$ <u>0</u>
21.	<b>2022 total taxable value.</b> Add Lines 18E and 19C. Subtract Line 20. <sup>17</sup>	\$ <u>1,422,802,074</u>
22.	<b>Total 2022 taxable value of properties in territory annexed after Jan. 1, 2021.</b> Include both real and personal property. Enter the 2022 value of property in territory annexed. <sup>18</sup>	\$ <u>0</u>
23.	<b>Total 2022 taxable value of new improvements and new personal property located in new improvements.</b> New means the item was not on the appraisal roll in 2021. An improvement is a building, structure, fixture or fence erected on or affixed to land. New additions to existing improvements may be included if the appraised value can be determined. New personal property in a new improvement must have been brought into the taxing unit after Jan. 1, 2021 and be located in a new improvement. New improvements <b>do</b> include property on which a tax abatement agreement has expired for 2022. <sup>19</sup>	\$ <u>186,196,618</u>
24.	<b>Total adjustments to the 2022 taxable value.</b> Add Lines 22 and 23.	\$ <u>186,196,618</u>
25.	<b>Adjusted 2022 taxable value.</b> Subtract Line 24 from Line 21.	\$ <u>1,236,645,456</u>
26.	<b>2022 NNR tax rate.</b> Divide Line 17 by Line 25 and multiply by \$100. <sup>20</sup>	\$ <u>0.497971</u> / \$100
27.	<b>COUNTIES ONLY.</b> Add together the NNR tax rates for each type of tax the county levies. The total is the 2022 county NNR tax rate. <sup>21</sup>	\$ _____ / \$100

### SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Line	Voter-Approval Tax Rate Worksheet	Amount/Rate
28.	<b>2021 M&amp;O tax rate.</b> Enter the 2021 M&O tax rate.	\$ <u>0.400306</u> / \$100
29.	<b>2021 taxable value, adjusted for actual and potential court-ordered adjustments.</b> Enter the amount in Line 8 of the No-New-Revenue Tax Rate Worksheet	\$ <u>1,124,533,470</u>

2022 Tax Rate Calculation Worksheet – Taxing Units Other Than School Districts or Water Districts Form 50-856

Line	Voter-Approval Tax Rate Worksheet	Amount/Rate
50.	<b>COUNTIES ONLY.</b> Add together the voter-approval tax rates for each type of tax the county levies. The total is the 2022 county voter-approval tax rate.	\$ _____ / \$100

### SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue. This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

Line	Additional Sales and Use Tax Worksheet	Amount/Rate
51.	<b>Taxable Sales.</b> For taxing units that adopted the sales tax in November 2021 or May 2022, enter the Comptroller's estimate of taxable sales for the previous four quarters. <sup>13</sup> Estimates of taxable sales may be obtained through the Comptroller's Allocation Historical Summary webpage. Taxing units that adopted the sales tax before November 2021, enter 0.	\$ _____ / 0
52.	<b>Estimated sales tax revenue.</b> Counties exclude any amount that is or will be spent for economic development grants from the amount of estimated sales tax revenue. <sup>11</sup> <b>Taxing units that adopted the sales tax in November 2021 or in May 2022.</b> Multiply the amount on Line 51 by the sales tax rate (.01, .005 or .0025, as applicable) and multiply the result by .95. <sup>14</sup> <b>- or -</b> <b>Taxing units that adopted the sales tax before November 2021.</b> Enter the sales tax revenue for the previous four quarters. Do not multiply by .95.	\$ _____ / 0
53.	<b>2022 total taxable value.</b> Enter the amount from Line 21 of the <i>No-New-Revenue Tax Rate Worksheet</i> .	\$ 1,422,802,074
54.	<b>Sales tax adjustment rate.</b> Divide Line 52 by Line 53 and multiply by \$100.	\$ _____ / \$100

56.	<b>2022 NNR tax rate, adjusted for sales tax.</b> <b>Taxing units that adopted the sales tax in November 2021 or in May 2022.</b> Subtract Line 54 from Line 55. Skip to Line 57 if you adopted the additional sales tax before November 2021.	\$ 0.497971 / \$100
57.	<b>2022 voter-approval tax rate, unadjusted for sales tax.</b> <sup>16</sup> Enter the rate from Line 49, Line D49 (disaster) or Line 50 (counties) as applicable, of the <i>Voter-Approval Tax Rate Worksheet</i> .	\$ 0.573247 / \$100
58.	<b>2022 voter-approval tax rate, adjusted for sales tax.</b> Subtract Line 54 from Line 57.	\$ 0.573247 / \$100

### SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

Line	Voter-Approval Rate Adjustment for Pollution Control Requirements Worksheet	Amount/Rate
59.	<b>Certified expenses from the Texas Commission on Environmental Quality (TCEQ).</b> Enter the amount certified in the determination letter from TCEQ. <sup>18</sup> The taxing unit shall provide its tax assessor-collector with a copy of the letter. <sup>18</sup>	\$ _____ / 0

## FISCAL YEAR 2022-23 ANNUAL BUDGET

2022 Tax Rate Calculation Worksheet – Taxing Units Other Than School Districts or Water Districts

Form 50-856

### SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate before the unused increment rate for the prior three years.<sup>39</sup> In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the unused increment rate for that year would be zero.

The difference between the adopted tax rate and voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020;<sup>40</sup>
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);<sup>41</sup> or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.<sup>42</sup>

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.<sup>43</sup>

Line	Unused Increment Rate Worksheet	Amount/Rate
63.	<b>2021 unused increment rate.</b> Subtract the 2021 actual tax rate and the 2021 unused increment rate from the 2021 voter-approval tax rate. If the number is less than zero, enter zero.	\$ _____ 0 /\$100
64.	<b>2020 unused increment rate.</b> Subtract the 2020 actual tax rate and the 2020 unused increment rate from the 2020 voter-approval tax rate. If the number is less than zero, enter zero.	\$ _____ 0.008801 /\$100
65.	<b>2019 unused increment rate.</b> Subtract the 2019 actual tax rate and the 2019 unused increment rate from the 2019 voter-approval tax rate. If the number is less than zero, enter zero. If the year is prior to 2020, enter zero.	\$ _____ 0 /\$100
66.	<b>2022 unused increment rate.</b> Add Lines 63, 64 and 65.	\$ _____ 0.008801 /\$100
67.	<b>2022 voter-approval tax rate, adjusted for unused increment rate.</b> Add Line 66 to one of the following lines (as applicable): Line 49, Line D49 (disaster), Line 50 (counties), Line 58 (taxing units with the additional sales tax) or Line 62 (taxing units with pollution control).	\$ _____ 0.582048 /\$100

### SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.<sup>44</sup>

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.<sup>45</sup>

Line	De Minimis Rate Worksheet	Amount/Rate
68.	<b>Adjusted 2022 NNRM&amp;O tax rate.</b> Enter the rate from Line 39 of the Voter-Approval Tax Rate Worksheet	\$ _____ 0.354080 /\$100
69.	<b>2022 total taxable value.</b> Enter the amount on Line 21 of the No-New-Revenue Tax Rate Worksheet	\$ _____ 1,422,802,074

71.	<b>2022 debt rate.</b> Enter the rate from Line 48 of the Voter-Approval Tax Rate Worksheet	\$ _____ 0.206775 /\$100
72.	<b>De minimis rate.</b> Add Lines 68, 70 and 71.	\$ _____ 0.595996 /\$100

### SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.<sup>46</sup>

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.<sup>47</sup>

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago.

<sup>39</sup> Tax Code § 26.013(a).

<sup>40</sup> Tax Code § 26.013(c).

<sup>41</sup> Tax Code §§ 26.0501(a) and (d).

<sup>42</sup> Local Gov't Code § 12.0007(b), effective Jan. 1, 2022.

<sup>43</sup> Tax Code § 26.063(a)(1).

<sup>44</sup> Tax Code § 26.012(b-4).

<sup>45</sup> Tax Code § 26.063(a)(1).

<sup>46</sup> Tax Code § 26.042(b).

<sup>47</sup> Tax Code § 26.042(c).

# CITY OF MANVEL, TEXAS

## FISCAL YEAR 2022-23 ANNUAL BUDGET

2022 Tax Rate Calculation Worksheet – Taxing Units Other Than School Districts or Water Districts Form 50-856

This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.  
 Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).

## ORDINANCE NO. 2022-O-24

**AN ORDINANCE APPROVING AND ADOPTING THE CITY OF MANVEL, TEXAS, OPERATING, CAPITAL IMPROVEMENT PROGRAM, AND MEDC BUDGET FOR THE FISCAL YEAR 2023; MAKING APPROPRIATIONS FOR THE CITY FOR SUCH YEAR AS REFLECTED IN SAID BUDGET; ESTABLISHING THE PROCEDURE FOR INTRA-BUDGET TRANSFERS; APPROVING ALL PROGRAMS AND EXPENDITURES CONTAINED THEREIN; AUTHORIZING THE CITY MANAGER TO MAKE ANY BUDGETED EXPENDITURE WITHOUT FURTHER ACTION BY THE CITY COUNCIL; AND CONTAINING OTHER PROVISIONS RELATING TO THE SUBJECT.**

\* \* \* \* \*

**WHEREAS**, on the 29, day of July 2022 the Budget Officer filed with the City Secretary a proposed budget of the City of Manvel for the fiscal year 2022-2023, the same being from October 1, 2022 through September 30, 2023; and

**WHEREAS**, within the time and in the manner required by law, including section 8.02 of The City Charter, the city manager presented to the City Council a proposed operating and capital improvement program budget of revenues and expenditures of the City of Manvel for the Fiscal year October 1<sup>st</sup>, 2022, through September 30<sup>th</sup>, 2023; and

**WHEREAS**, pursuant to a motion of the City Council and after notice required by law, a public hearing on such general budget was held on the 6th, day of September, 2022 at which all citizens and taxpayers of the City had the right to be heard and those who requested to be heard were heard; and

**WHEREAS**, the City Council has considered the proposed operating, capital improvements program, and Manvel Economic Development Corporation (MEDC) budget and has made such changes therein as in its judgment were warranted by law and were in the best interest of the citizens and taxpayers of the City; and

**WHEREAS**, the City Council approves all programs and expenditures contained in the budget and authorizes the City Manager to make any budgeted expenditure without further action by the City Council;

**NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF**

# CITY OF MANVEL, TEXAS

## =====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

### MANVEL, TEXAS:

**Section 1.** The facts and recitations set forth in the preamble of this Ordinance are hereby found to be true and correct.

**Section 2.** The City Council hereby approves and adopts the operating, capital improvements program, and Manvel Economic Development Corporation (MEDC) budget described in the preamble of this Ordinance, a copy of which is attached hereto and made a part of this Ordinance for all purposes and a copy of which is on file with the City Secretary. Such budget shall be kept on file in the office of the City Secretary as a public record. The City Secretary is directed to file a true copy of the approved budget in the office of the County Clerk of Brazoria County and on the city's website, as required by law. The council may amend the budget for any municipal purpose or as otherwise permitted by law.

**Section 3.** In support of said budget and by virtue of the adoption thereof, including any and all changes adopted thereto, the several amounts specified for the various purposes named in said budget are hereby appropriated to and for such purposes. As required by the City Charter, no funds of the city shall be expended nor shall any obligation for the expenditure of money be incurred unless there is an appropriation therefore in the budget as duly adopted and unless the city manager or his/her designee first certifies that there is a sufficient unencumbered balance in such budget line item, and that sufficient funds therefrom are or will be available to cover the claim or meet the obligation when it becomes due and payable. However, the charter prohibition is not to be construed to prevent the making or authorize the making of any contract or lease providing for payments beyond the end of the fiscal year, provided that such action is authorized by law and approved by council.

**Section 4.** The City Council takes cognizance of the fact that in order to facilitate operations of the City and its various departments and activities and to make adjustments occasioned by events transpiring during the year, some transfers may be necessary to and from some accounts contained within the budget as originally adopted. Accordingly, at any time during the fiscal year, the City Manager may transfer part or all of any unencumbered appropriation balance for operations only (excluding capital projects, capital equipment, and Manvel Economic

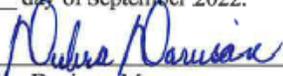

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

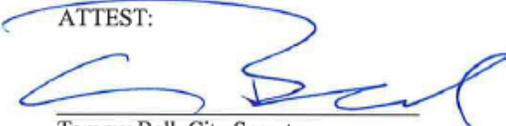

Development Corporation) among programs within a department, division, or office. Upon written request by the City Manager, the council may, by ordinance, transfer part or all of any unencumbered appropriation balance from one department, office, or agency to another, (excluding funds in The Manvel Economic Development Corporation budget, without prior action by The Manvel Economic Development Corporation). The City Manager shall, within thirty (30) days of the transfer, make written reports of all transfers to the city council or as directed by order of the city council. Upon approval thereof by the City Council, an amendment sheet reflecting such transfer or transfers shall be attached to the budget as specifically adopted, whereupon the City Council shall treat such funds as if they had been thus budgeted in the first instance.

**Section 5.** The City Council approves all programs and expenditures contained in the budget and authorizes the City Manager to make any budgeted expenditure without further action by the City Council. All competitive bidding laws and other city purchasing policy provisions still apply.

PASSED, APPROVED, AND ADOPTED this 26 day of September 2022.

  
Debra Davison, Mayor

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

## ORDINANCE NO. 2022-O-25

AN ORDINANCE PROVIDING FOR THE ASSESSMENT, LEVY, AND COLLECTION OF AD VALOREM TAXES FOR THE CITY OF MANVEL, TEXAS, FOR THE YEAR 2022, AND FOR EACH YEAR THEREAFTER UNTIL OTHERWISE PROVIDED; PROVIDING THE DATE ON WHICH SUCH TAXES SHALL BE DUE AND PAYABLE; PROVIDING FOR PENALTY AND INTEREST ON ALL TAXES NOT TIMELY PAID; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH.

**THIS YEAR'S TAX LEVY TO FUND MAINTENANCE AND OPERATIONS EXPENDITURES EXCEEDS LAST YEAR'S MAINTENANCE AND OPERATIONS TAX LEVY.**

**THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL EFFECTIVELY BE RAISED BY 14.5% AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY -\$37.08 cents.**

\* \* \* \* \*  
**WHEREAS**, Section 26.05 of the Texas Property Tax Code provides that before the latter of September 30th or the 60<sup>th</sup> day after the date the City receives the certified appraisal roll the City Council shall adopt a tax rate for the current tax year; and

**WHEREAS**, such Section further provides that where the tax rate consists of two components (one which will impose the amount of taxes needed to pay the City's debt service and the other which will impose the amount of taxes needed to fund maintenance and operation expenditures of the City for the next year), each of which two components must be approved; and

**WHEREAS**, the proposed tax rate for the current tax year of the City of Manvel, Texas, consists of two such components, a tax rate of \$0.206775 (20.6775 cents) on each one-hundred-dollar (\$100) valuation of said property for debt service and a tax rate of \$0.363225 (36.3225 cents) on each one-hundred-dollar (\$100) valuation of said property to fund maintenance and operation expenditures; and

**WHEREAS**, by motion heretofore adopted by the City Council of the City of Manvel, Texas, at a meeting of said City Council held on this 19, day of September 2022, said City Council has approved the tax rate heretofore specified for each of said component; and

2022 Tax Rate \$0.57 Cents

# CITY OF MANVEL, TEXAS

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

**WHEREAS**, having thus approved the tax rate for each of such components, it is necessary and appropriate for the City Council to now formally pass, approve, and adopt a 2022 tax rate ordinance for the City of Manvel, Texas; and

**WHEREAS**, all notices and hearings required by law as a prerequisite to the passage, approval, and adoption of said tax rate ordinance have been timely and properly given and held; now, therefore,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MANVEL, TEXAS:**

**Section 1.** The facts and matters set forth in the preamble of this Ordinance are hereby found to be true and correct, and are hereby adopted, ratified, and confirmed.

**Section 2.** All property subject to ad valorem taxation by the City of Manvel, Texas, shall be equally and uniformly assessed for such purposes at One Hundred Percent (100%) of the fair market value of such property.

**Section 3.** There is hereby levied for general purposes and use by the City of Manvel, Texas, for the year 2022, and for each year thereafter until otherwise provided, an ad valorem tax at the rate of \$0.570000 (57.0000 Cents) on each One Hundred Dollars (\$100) of assessed valuation on all property, real, personal, and mixed, within the corporate limits upon which an ad valorem tax is authorized by law to be levied by the City of Manvel, Texas. The proceeds from such tax shall be applied to the payment of the general and current expenses of the government of the City. All such taxes shall be assessed and collected in current money of the United States of America.

**Section 4.** Of the total tax levied in Section 3 hereof \$0.363225 (36.3225 cents) on each One Hundred Dollars (\$100) of assessed valuation is levied to fund maintenance and operation expenditures of the City for the fiscal year 2023.

**THIS YEAR'S TAX LEVY TO FUND MAINTENANCE AND OPERATIONS EXPENDITURES EXCEEDS LAST YEAR'S MAINTENANCE AND OPERATIONS TAX LEVY.**

**THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL EFFECTIVELY BE RAISED BY 15.1% AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY -\$37.08 cents.**

**Section 5.** For the purpose of paying the interest on bonds, warrants, certificates of obligation, or other lawfully authorized evidence of indebtedness issued by the City of Manvel, Texas,

2022 Tax Rate \$0.57 Cents

=====FISCAL YEAR 2022-23 ANNUAL BUDGET=====

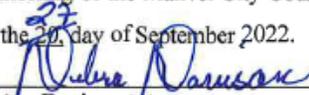

and the various installments of principal due on such bonds, warrants, certificates of obligation, or other lawfully authorized evidence of indebtedness issued by the City as such installments shall respectively mature, and for the purpose of paying interest and making provisions for the sinking fund on such other bond issues, warrants, certificates of obligation, or other lawfully authorized evidence of indebtedness as may be authorized, there is hereby levied for the year 2022 and for each year thereafter until otherwise provided, to be assessed and collected upon all property described in Section 3 of this Ordinance, an annual ad valorem tax for debt service at the rate of \$0.206775 (20.6775 cents) on each One Hundred Dollars (\$100) of assessed valuation.

**Section 6.** All ad valorem taxes levied hereby, in the total amount of \$0.573225 (57.3225 Cents) on each One Hundred Dollars (\$100) of assessed valuation, as reflected herein, shall be due and payable on or before January 31, 2023. All ad valorem taxes due the City of Manvel, Texas, and not paid on or before January 31<sup>st</sup> following the year for which they were levied shall bear penalty and interest as prescribed in the Property Tax Code of the State of Texas.

**Section 7.** All ordinances or parts of ordinances inconsistent or in conflict herewith are, to the extent of such inconsistency or conflict, hereby repealed.

PASSED, APPROVED, AND ADOPTED at a meeting of the Manvel City Council on this 19 day of September 2022, with an effective date being the 20 day of September 2022.
