## Highlights/Brag Book:

Manvel Library continues to show steady growth in most sectors over the previous year. New library cards in particular showed a growth of 137.5% over this time last year!

Manvel Library Patrons saved \$515,571 in Fiscal Year 2023 by borrowing instead of buying!

This month, Manvel Library hosted it's first Backyard Movie Night, where they screened the holiday classic: Efl! Unfortunately due to incimate weather, the event was moved indoors, but everybody had a great time! The kiddie pools purchased for this event by the MCLA will prove to be a valuable asset in programming going forward, especially as we look into the summer months!

Patrons of the Manvel Library showed their appreciation for library staff this holiday season with gifts of holiday greeting cards, snacks, cookies, and even a cookie cake! Thank you!
