Highlights/Brag Book:

February was a busy month! Our weekly storytime programs are seeing a steady increase in popularity with our numbers stopping just short of 500 for a second month in a row.

This month the Manvel Library celebrated Take Your Child to the Library Day, seeing 125 people attend.

Manvel Library hosted the monthly Alvin-Manvel Chamber of Commerce Coffee and Connections which saw local business owners and stakeholders meet up and mingle over breakfast snacks and coffee. The Brazoria County Library System’s Community Meeting also took place, which saw members of the community come in and talk about what they see happening in the community, and where they would like to see the community go in the next few years.

The Manvel Community Library Association tote bag fundraiser has kicked off, and they are incredibly popular. The cost is \$15. Keep an eye out on social media for more changes coming to YOUR local library! Thank you!
