Capital Projects

Manvel Police Station

In 2022, the City Council approved the construction of a new 45,000 ft² Police Station designed to withstand the test of time. The station will accommodate the department's essential functions and provide ample space for officers and staff to continue providing the excellent level of service the community has come to expect.

Elevated Storage Tank

The Elevated Storage Tank (EST), commonly known as a water tower, is an important investment in Manvel's water infrastructure. Once completed, the EST will store 1,000,000 gallons of water and assist in regulating the municipal water supply by maintaining consistent pressure throughout the system, even during peak usage hours.

Highlights/Brag Book:

April was a busy month for the Manvel Library. The library hosted two guest speakers for story time. Officer Jasso from the Brazoria County Sheriff's Department participated in Police story time and had a ball singing and dancing with the children. MCLA member Erika Davis promoted her new book *Papas y Papas!* during the library's first ever bilingual story time. The Friends graciously donated 30 copies of *Papas y Papas!* to be given out at the event, and nearly all copies were signed and given to attendees. Manvel Library extends it's thanks to The Friends for sponsoring their program.

The library also hosted it's third annual 'Edible Book Festival' virtually this year and had four entries. Ms. Olivia (age 4) and her sister Paige (age 2) won with their "Cake Pop Chicks" entry and were awarded a Squishmallow.

Manvel Library is looking forward to the upcoming Summer Reading Challenge and all the amazing programs planned for the community this summer.

Monthly Events:

A list of the Manvel Public Library's monthly events can be found on the Library's webpage at mybcls.org/164/Manvel, on their Facebook page [@manvelpubliclibrary](https://www.facebook.com/manvelpubliclibrary), or in the latest edition of the Manvel Link at cityofmanvel.com/manvellink!
