Above Ground Fire Sprinkler System / Standpipe Systems / Fire Pumps Permit Application

Date: _____

Occupancy/Property Name: _____ Phone: _____

Occupancy/Property Address: _____

Installing Company's Name: _____ Phone: _____

State Certificate of Registration: _____ Expiration Date: _____

Installing Company's Email Address: _____

 Contractor/Applicant Name (Please Print)

 Contractor/Applicant Signature

Please provide a digital copy in PDF format that identifies the digital copy sheets on the digital Index of drawings.

The required RME designation or a Professional Engineer's seal and signature is required for all fire protection plan reviews. (A hard copy of the drawing may be requested if needed.) Additionally, please provide a copy of the Certificate of Liability Insurance and specification sheets for the installed equipment and materials. Submit a copy of the Current State License for the company and the installation technician. Indicate below what type of work is to be installed. All fees are due upon submission of plans; re-test fees must be paid prior to scheduling a re-test date.

New Installation

Renovation/Additions to Existing System

Repair
